THE WHITE HOUSE
WASHINGTON

May 25, 1996

Dear Representative Bunn:

I appreciated receiving your recent letter regarding the efforts of officials in Yamhill County to build better relations with our friends and allies in Korea. These people-to-people programs contribute significantly to better understandings between our two countries. I am confident Oregon will represent us well and that the delegation will enjoy its stay in Korea where the people will provide a warm and gracious welcome.

I wish the delegation every success in creating strong programs for cultural and educational exchanges that will deepen the ties between the United States and Korea.

Sincerely,

The Honorable William J. Clinton
President of the United States
1600 Pennsylvania Avenue
Washington, D.C. 20500

Dear Mr. President:

Recently, Yamhill County in my home state of Oregon, adopted a Resolution of Goodwill and Friendship between the officials of Yamhill County, Oregon and Keumsan County, Republic of Korea. On Monday the 26th of this month a small delegation from Oregon will depart to visit Keumsan County officials on a mission to further the goals of the resolution. Hopefully, this new partnership will improve economic, trade, educational, cultural, and other ties between the two counties and our two nations. The Oregon delegation trip is in response to a Korean delegation trip a few months ago.

I am very supportive of this effort to improve relations with our Pacific Rim neighbors. I would appreciate anything that you might be able to do to further this partnership, including, drafting either a resolution or letter of support that the Oregon delegation could bring with them. If you decide to write a letter, please address it to the chairmen of both counties.

Enclosed is a copy of Yamhill Counties resolution and a copy of the Keumsan County Chairman's business card. Thank you in advance for any help that you can provide.

Sincerely,

Jim Bunn
Member of Congress

According to DOCLOG, this package went to Chris Walker at around 9:00pm Friday night! Given the urgency per the notes below, the original should have gone to Stern's office and a copy sent to Hilley/Walker. To make a long story short after phone conversations with ADS and Danvers - I re-ran an original package and delivered it to Stern's office for autopenning later tonight. Sitroom will be the recipient of the signed letter and they were passed all dispatch instructions outlined below. (Danvers will take care of retrieving the "other" original sent to Walker)

Referenced package is currently with APNSA. It needs to be signed (autopenned) today if at all possible -- and then needs to get to Representative Bunn tonight or Saturday. When it is signed, Danvers's office might be able to help you find out the best way to get it to Bunn (presumably by fax), since House will recess today for Memorial Day weekend. Maybe they can get a fax number in his home dis.

Dear President Clinton

Your visit to Cheju Island was an unqualified success. The overall response here to your and President Kim's proposal has been most positive. As a result we have the possibility of opening up a new era in North-South relations.

Thank you for adding this stopover to an already crushing schedule. Even the weather changed to welcome you and Mrs. Clinton and provided a hopeful portent for the days ahead.

With great respect and appreciation,
