Subject: Fast Track Event

I am having a memo delivered to listing possible companies for the President to visit on 10/7 for a fast track event.

Would you have them checked out and let me know if they are okay?

Thanks.

Vicki -

This is the Commerce
list of possible sites
in MD. -- nothing
yet on Va.

331 OEOB

I understand from
Tom Hauser that there
may be a problem
with Ellicott (#7), which
sounds great on paper.

In response to your request for Md. companies for possible Presidential visit on october 7, I suggest the following:

1. Techno Sciences, Inc
Tony Lavigna
10001 Derekwood Lane
Lanham, MD 20706
P: 301-577-6000

It is a small manufacturer of satellite ground stations for the search and rescue satellite system. In regards to free trade, TSI recently reported a \$1 million sale to Chile. Further info can be obtained re: this sale in our success story database of lotus notes.

2. Orion Network Systems
LeRoy Collins
2440 Research Blvd., Suite 400
Rockville, MD 20850
P: 301-258-3356

Orion is a service company with 300 employees as an international satellite communications company providing high speed Internet connectivity and private, multimedia network communications to companies via VSAT (very small aperture antennae). Orion recently reported successes totalling \$500,000 to eastern European countries. Further info can be obtained in our success story database.

API manufactures machine tool calibration equipment for the aerospace, automobile, machine tool, and robotics industries. It has used Gold Keys and Agent Distributor Searches recently in China, Italy, Germany, S. Korea and Taiwan. It recently entered the Japanese market with Commercial Service assistance by signing a distributorship.

5. MICROS System, Inc.

Peter Rogers
12000 Baltimore Ave.
Beltsville, MD 20705
P: 301-210-8059; F: 301-210-8021

MICROS is a small manufacturer of point of sale cash registers. Mr. Rogers is a member of the Maryland/ Washington, D.C. District Export Council. MICROS recently reported success in entering the Australian market. Further info can be found in our Success Story database.

6. Counter Technology

Ms. Santos Garza
4733 Bethesda Ave.
Suite 200
Bethesda, MD 20814
P: 301-907-0127; F: 301-907-6997

Counter Technology is a small company of 350 employees providing airport security services. It has recently entered international markets. It is an SBA 8a company. Its President, Ms. Garza, is a member of the Maryland/Washington, D.C. District Export Council.

7. Ellicott Machine Corp.

Peter Bowe
1611 Bush St.
Baltimore, MD 21230
P: 410-837-7900; F: 410-752-3294

Ellicott Machine is an old (1886) and well known Baltimore company manufacturing dredges. It provides dredges and spare parts to 25 countries. Previous assistance by the USG, the State and the City of Baltimore has helped the company win international tenders and expand its Baltimore workforce.

Yurie Systems
8301 Professional Pl.

assisted with obtaining an ECCN number from BXA. As a result of this and assistance with market research the client has entered three markets: Brazil, UK and South Korea.

The company has been featured in Business Week and the Washington Post Business section as a top 100 fastest growing technology company.

The President just came back from a very successful trip to South Korea with Secretary of Defense Perry.
