MEMORANDUM FOR LEON PANETTA, THE WHITE HOUSE

FROM: Richard W. Riley

SUBJECT: Weekly Report for September 10 - 16

KEY DEPARTMENT NEWS

House Briefing. This morning several senior Department officials and I briefed Congressman Goodling, Congressman Hoekstra, and Congressman Castle of the House Economic and Educational Opportunities Committee, in response to the Committee's request for a briefing for Republican Members. The briefing covered the Department's operations and structure.

America Goes Back To School. During the week of September 11, several activities are planned to highlight the start of the new school year and to encourage parents and community members to participate in the schools. Several Cabinet Officers and celebrities will participate in events across the country. On September 9, I will be in Orlando to kick off the Back

-to

-School

week at Disney Epcot Center, with 4000 teachers. Next week I will be in Greenville, SC, Columbia, MO, Memphis, TN, and Cincinnati, OH.

National Press Club. This afternoon I spoke at the National Press Club about the America Goes Back to School activities.

Department Shutdown. In response to OMB's request, the Department has prepared a draft plan for shutting down operations in the event of a furlough. The Direct Loans expenses are covered by a permanent appropriation, and the National Institute for Literacy has a multiyear account, so staff members from these two programs will continue working. Other than that, only the 16 Presidential appointees and one assistant for each will continue working during a shutdown.

AFT Luncheon. On September 18 I will address the American Federation of Teachers.

Committee for Education Funding. I will address a dinner meeting of the Committee for Education Funding on September 18.

Satellite Town Meeting. The next Satellite Town Meeting will

originate in Seattle on September 19.

U.S.

-Mexico. I will participate in the U.S.

-Mexico conference

October 5

-6.

## BOTTOM EVEN

- \p -

Higher Education Conference. October 8 and 9 I will participate in a conference on higher education funding. Senator Kassebaum and Congressman Goodling are expected to attend.

## AGENCY WORK ON PRESIDENTIAL INITIATIVES

Beijing Conference. Deputy Secretary Kunin and Assistant Secretary Heumann are currently in Beijing representing the U.S. and the Department at the 4th United Nations World Conference on Women.

## CONGRESS

FY 1996 Appropriations. The Senate Appropriations Subcommittee is scheduled to mark up the Department's 1996 appropriations legislation on September 13. We expect the Senate to provide approximately \$1.5 billion more in discretionary spending than the House bill provides. The full Senate Appropriations Committee is expected to mark up this bill on September 14, and Senate floor action is anticipated the week of September 18.

Budget Reconciliation. The House Economic and Educational Opportunities Committee plans to mark up the budget reconciliation package during the week of September 11. The Committee is expected to recommend eliminating or capping the Direct Loans program, as well as reducing FFEL subsidies for lenders and implementing other cost saving measures that will affect guarantors, secondary markets, parents, and students. The full House is expected to consider the budget reconciliation legislation during the week of September 25. On September 13, the Senate Labor and Human Resources Committee is scheduled to mark up its budget reconciliation recommendations.

Upcoming Education Legislation. The House Economic and Educational Opportunities Committee may mark up an education reform block grant proposal and the reauthorization of the Individuals with Disabilities Education Act during the week of September 11. The House may also consider the CAREERS bill, which consolidates job training programs, and legislation to privatize Sallie Mae and Connie Lee, during September.

Goals 2000 Testimony. On September 12, I will testify before the Senate Appropriations Subcommittee on Labor

-HHS

-Education

regarding the FY 1996 Goals 2000 appropriations.

Daschle Meeting. On September 14, I will be meeting with Senator Tom Daschle to discuss education issues and legislation.

## REGULATORY ACTION

## BOTTOM ODD

- \p -

There is nothing new to report this week.

## PRESS INQUIRIES

CNN Event. On September 15 I will participate in the announcement introducing CNN Newsroom's World View, a broadcast news service that will be provided to classrooms free of charge.

Interviews. Last week I was interviewed by Business Week regarding education and budget issues; by the Los Angeles Times, KMOX Radio

-St. Louis, and eight religious reporters regarding school prayer; by AP and CNN regarding Senator Dole's comments about bilingual education and the history standards; and by MTV News executives regarding education issues, budget cuts, and back

-to

-school events. Under Secretary Smith was interviewed about Senator Dole's speech by AP, the Miami Herald, Knight

-Ridder, and Standard News. Deputy Secretary Kunin was interviewed in Beijing about access to education for women.

## FOIA REQUESTS

We continue to respond to several requests for information on the activities of former Secretary Lamar Alexander and Departmental correspondence involving Senator Dole, Senator Gramm, and Speaker Gingrich.

## WEEK IN REVIEW

USA Group Audit Report. On September 1, the Inspector General reported its finding that United Student Aid Funds, Inc., a private company that serves as the guaranty agency for several states, misused Federal Family Education Loan program funds to pay for marketing costs for its "Help America Learn" program. Officials of the company's parent corporation, USA Group, have agreed to restore the misused funds, which total approximately \$1.7 million.

SUBJECT: STATUS REPORT ON PENDING LEGISLATION

PRINTER FONT 12\_POINT\_COURIER  
Indications from Senate that ?train wreck? can be avoided and  
the Congress Could Pass CR for a Month. According to press  
reports, Senate Appropriations Committee Chairman Hatfield (R-  
OR) said the would likely to try to pass those bills that the  
President will sign. The Chairman said his committee will  
report out all but one of six appropriations bills by next  
Friday. This would allow Congress and the President to  
negotiate on only those bills that have not been signed by  
October 1. Senator Cochran (R

-MS) and Senator Breaux (D

-LA)  
both indicated on a television interview this morning that  
they believe a ?train wreck? can be avoided.  
Gingrich and Dole pledge to ensure completion of seven

-year  
balanced budget, overhaul of Medicare, welfare reform, and  
cutting taxes this year. As a result, campaign finance  
reform, House gift ban and lobbying reform are likely to slip  
to next year. Dole reportedly said the Senate will take up  
term limits on October 11 or 12 (the only item of the  
?Contract with America? to not pass the House).  
Legislation to deny Members of Congress pay if government  
shuts down was announced today by Senator Boxer (D

-CA) and  
Representative Durbin (D

-IL). The proposal would deny members

pay in the event of a shutdown, or the failure of Congress to pass a CR or to raise the debt ceiling.

GENERAL GOVERNMENT & FINANCE:

1. Budget Resolution: (Konigsberg)

House completed action on HConRes 67 on 5/18, passing the  
Kasich budget plan 238

-193. Senate completed action on  
5/25, passing the Domenici budget 57

-42. Budget

Resolution conference agreement passed the House on 6/29  
by a vote of 239

-194, and passed the Senate the same day  
by a vote of 54

-46 (party line).

2. Item Veto: (Konigsberg/J. Gibbons)

House passed HR 2 (enhanced rescission) on February 6,  
(294

-134). Senate passed S 4 (separate enrollment) on  
March 23, (69

-29). Conference: On June 20, the Senate  
requested a conference and appointed conferees.

3. Tax Fairness and Deficit Reduction Act: (R. Jones)

House passed HR 1215 on April 5, (246

-188) including tax

cuts (child credit, IRAs, repeal taxes on soc.sec.,  
neutral cost recovery, corporate AMT, cap gains,  
expensing, adoptions, marriage penalty credit, long

-term

care incentives); raise soc. sec. earnings limit;  
spending caps; Medicare extenders; spectrum extender;  
uranium enrichment; Federal retirement reforms; and  
automatic sequester of amounts taxpayers dedicate to debt  
reduction. SAP-- "If...presented ...in its current form,

the Secretary of the Treasury and the Director of OMB would recommend a veto." Senate not expected to take up HR 1215, as passed by the House, however components of the bill may be considered in the context of Reconciliation. Basis for opposition: Bill is fiscally irresponsible and would provide disproportionate tax benefits to the wealthy at the expense of programs for average Americans.

#### 4. Crime Bills: (R. Jones)

House split their original crime bill into 7 smaller pieces and passed 6 of them--

? HR 665, requiring restitution for victims of federal crimes, passed February 7 (431

-0); SAP--"supports passage."

? HR 666, allowing federal prosecutors to use improperly obtained evidence if police officers acted in "good

faith"; would apply with and w/o warrants. Passed February 8, (289- 142). SAP

-support only if amended to

apply only where warrants have been obtained.

? HR 729, containing reforms affecting federal habeas corpus review of state criminal judgments and collateral review of federal judgements, and requiring federal juries to impose death sentences in certain cases. Passed February 8 (297

-132). SAP-

-support if DOJ concerns addressed.

? HR 667, would replace the prison funding program enacted in '94 Act with allocations based on sentencing criteria; and would limit prisoner litigation. Passed February 10, (265

-156). SAP-

-oppose unless amended.

Basis for opposition: Proposed distribution of prison grants is inferior to current program; drug court program would be repealed.

? HR 668, to expedite the deportation of aliens who commit serious crimes and reimburse states for incarceration of criminal aliens. Passed February 10, (380

-20). SAP-- support if amended to offset the increased direct spending (\$600m/yr).

? HR 728, combining last year's grants for 100,000 cops and crime prevention into block grants. Passed February

14, (238

-192). SAP-

-Presidential veto threat. Basis for opposition: Bill repeals police grants program, which provides for 100,000 cops. It also eliminates many crime prevention programs.

Senate action on crime legislation not yet scheduled. However, habeas corpus provisions related to those in HR 729 are included in the Senate

-passed anti

-terrorism bill  
(S 735, discussed below).

5. Reg Reform/Risk Assessment: (H. Fitter)  
House passed HR 1022, Risk Benefit and Cost Benefit Act of 1995 on February 28th (286

-141), requiring Federal agencies to perform highly detailed analyses of the risks that proposed health, safety and environmental regulations seek to address. SAP sent to the House on February 27, 1995, strongly oppose HR 1022. Basis for opposition:

HR 1022 would impose overly broad, prescriptive, and costly analytical requirements on the regulatory process, encourage excessive litigation, and supersede the substantive requirements of many existing health, safety, and environmental laws (i.e., the so

-called  
supermandate).

Senate - Senate Floor action on S 343 began on 6/28. A 7/17/95 cloture vote failed (48

-46); a second cloture  
vote on 7/18/95 also failed (53

-47); a third cloture  
vote failed (58

-40) on 7/20/95. A SAP was transmitted

on 7/10/95: veto threat by Secretaries of Labor, Agriculture, Health and Human Services, Housing and Urban Development, Transportation, the Treasury, and the Interior, the Administrator of EPA, and the Director of OMB. In addition, in a 6/23/95 letter to Senators Dole and Daschle, OMB OIRA Administrator Katzen stated "we continue to have serious concerns with S 343, and I would recommend that the President

veto it if it were presented to him in its current form." Basis for opposition: Would impair rather than improve the regulatory process by generating additional costs, paperwork, litigation, and delay.

6. Private Property Rights/Takings: (M. Goad)  
On March 3rd, the House passed HR 925 (277

-148),  
subsequently incorporated the bill into HR 9, and then passed HR 9 (277

-141). HR 925 would require certain Federal agencies to compensate financially landowners if regulatory actions (taken under Endangered Species Act, and wetlands, farm, and water rights laws) cause a decrease of at least 20 percent in the fair market value of any portion of the landowners' properties. The agencies would be required to offer to purchase the property if the regulatory action causes a decrease of more than 50 percent in the property's value. SAP on HR 925-

-strongly oppose (3/1/95). On April 7th, POTUS said, "I will also veto the House

-passed requirement that government pay property owners billions of dollars every time we act to defend our national heritage of seashores or wetlands or open spaces." Basis for opposition: Undermines Federal authority to protect the general welfare; expands the traditional concept of Fifth Amendment "takings"; creates new direct spending; and imposes an unlimited fiscal burden in the form of an arbitrary, automatic compensation requirement for reductions in property values that are attributable to Federal actions.

The Senate Judiciary Committee held an April 6th hearing on S 605 (Dole/ Hatch). (S 605 has a 33 percent threshold, and would apply to all Federal agencies.) In testimony presented at the hearing, Justice threatened veto. In separate letters sent to Sen. Hatch in May and June, Agriculture, Army

-Civil Works, Defense, EPA, GSA, HHS, Interior, Justice, Transportation, and Treasury advised that they would recommend veto. In a June 7th letter to Sens. Hatch, Biden, Dole, and Daschle, OMB Director Rivlin advised that, due to the significant increase in Federal spending that would result if S 605 were enacted, she would recommend veto. The Committee has not yet scheduled the mark up of S 605, but may do so at any time. The Senate Environment and Public Works (EPW) Committee held a June 27th hearing at which

Interior and Justice advised that they would recommend veto of S 605 and HR 925. In an additional EPW hearing on July 12th, EPA, Army (Corps), and OMB advised that they would recommend a veto of S.605 or similar legislation. Basis for opposition: Same as opposition to House bill.

7. Reg Moratorium/Waiting Period: (J. Weinberg)  
House passed HR 450 on Feb. 24 by 276

-146. The bill would establish a "moratorium period" -- Nov. 20, 1994 through Dec. 31, 1995 or enactment of reg reform, whichever is earlier -- during which a Federal agency may not take any "regulatory rulemaking action" unless it falls within a specified emergency exception (i.e. military or foreign affairs functions, international trade agreements, agency management, certain banking regulatory matters, implementation of the internal revenue laws; matters relating to loans, grants, benefits, or contracts). Also exempted: regs determined by OIRA to be necessary because of an imminent threat to health or safety or other emergency or necessary for the enforcement of criminal laws. SAP--"The President has stated that a moratorium on regulations, as provided for in H.R. 450, is not acceptable....the Secretaries of Agriculture, Energy, Health and Human Services, Housing and Urban Development, the Interior, Labor, Transportation, and the Treasury, the Attorney General, and the Administrator of the Environmental Protection Agency would recommend that it be vetoed." (In addition, POTUS said on 4/7/95, "if Republicans send me a bill that would let unsafe planes fly or contaminated water continue to find itself into city water systems, I will veto it." Veto threat reiterated in Earth Day speech, 4/21/95.) Basis for opposition: Would prevent the issuance of meritorious rules.

Senate passed S. 219 on March 29 by 100

-0; under the Senate version, regs would not go into effect for 45 days, during which time Congress could enact a disapproval resolution. A March 29 statement by the President called the 45

-day review period "the right way to reform regulation."

Conference: On June 16, the Senate requested a conference and appointed conferees.

8. Product Liability/Civil Litigation/Medical Malpractice: (I. Schroeder)

House passed HR 956 on March 10 (265

-161). It would cap punitive damages in all civil cases and would cap non-economic (pain and suffering) damages in suits against health providers and insurers. Basis for opposition: Product liability reform should generally be left to the

States; punitive damages shouldn't be arbitrarily capped; and differential treatment of "economic" and "noneconomic" (e.g., "pain and suffering" damages is inappropriate. (March 6th Reno/Mikva letter.)

Senate passed HR 956 on May 10 (61

-37). It would cap punitive damage awards by juries in product liability cases at \$250,000 or twice compensatory damages (economic and non

-economic damages), whichever is greater. Judges could override those limits in "egregious" cases. Punitive damage awards in product liability cases could not exceed \$250,000 for small businesses. Basis for opposition: A May 10th White House statement said the Senate

-passed liability bill "in its present form does not go far enough toward balancing the interests of consumers with those of manufacturers and sellers." The statement also stated the Administration's concerns regarding the limits on punitive damages adopted by the Senate and reiterated the Administration's opposition to provisions which would abolish joint and several liability. (A provision limiting punitive damage awards in all civil lawsuits, which was the subject of a May 4th Presidential veto threat, was later limited to product liability cases only.)

Conference not scheduled and conferees have not been appointed. Media reports indicate that Speaker Gingrich may defer conference until the fall.

According to press reports, the Senate may take action on a separate bill to curb medical liability late this summer.

9. Loser Pays - Civil Litigation: (I. Schroeder)

House passed HR 988 on March 7 (232

-193). Basis for opposition: The bill, which would affect only Federal civil suits involving parties from different States, would impose a modified "loser pays" rule, intended to encourage parties to settle out of court. The President said on 4/7/95 that he "will veto any bill with a 'loser pay' requirement such as that was in the House bill." In the Senate, provisions similar to those of HR 988 were

added to -- and subsequently deleted from -- the product liability bill (HR 956) on the Senate floor.

10. Shareholder Suits: (I. Schroeder)  
House passed HR 1058 on March 8 (325

-99). Basis for  
opposition: Could lead to inadequate deterrence against  
financial fraud. (March 6th Reno/Mikva letter.)  
Senate passed HR 1058 on 6/28/95 (69

-30). SAP sent to  
Senate on 6/23/95 states that the Senate version  
(previously S. 240) "is now a substantial improvement on

[the House version of] H.R. 1058, which the  
Administration could not support." The statement  
recommended amendments to: (1) clarify that safe harbors  
should not protect purposefully misleading statements;  
(2) restore liability for aiding and abetting in private  
action that follow a SEC action; and (3) extend the  
statute of limitations for private securities fraud  
actions to five years after a violation occurs. The SAP  
opposed a provision in the bill that would establish  
proportionate liability for reckless defendants and  
recommends replacing it with an amendment that would  
require culpable solvent defendants to pay up to two  
times their proportionate share of the damages, when a  
portion of the award is uncollectible.  
Conference not scheduled.

11. Telecommunications Amendments: (J. Weinberg)  
House passed HR 1555, amended, on August 4th, 305

-117.  
Statement by the President on August 1st threatening to  
veto HR 1555 with the managers' amendments. Basis for  
opposition: Would harm competition and weaken benefits to  
the public.

Senate passed S. 652 on June 15th, 81

-18. SAP strongly  
opposed Commerce Committee

-reported bill. White House  
Press Office issued an Administration statement on Senate  
passage of S 652 on June 16: "The Administration's  
position on the final legislation will depend on the  
extent to which the Administration's concerns have been  
addressed satisfactorily during the course of the entire  
legislative process." VP said on April 3 that he opposes  
the Senate Commerce Committee bill, and on April 4 the VP  
clarified in a letter, "I did not say that the President  
would veto the bill, since it is too early for such a

decision...." Basis for opposition: Would result in higher phone and cable bills and decrease competition for phone and cable services.

#### 12. Banking and Insurance Reform: (R. Jones)

House Banking Committee marked up Chairman Leach's HR 1062 on May 18. This bill would permit banks and securities firms to affiliate, allowing banks to underwrite securities and permitting securities firms to own banks. HR 1062 was reported by the House Commerce Committee on June 22. HR 1062 may move to the House floor in tandem with HR 1858, a banking regulatory relief bill. (See below for discussion of HR 1858 - Banking Deregulation.)

#### 13. HUD Elimination Act: (A. Briatico)

Although no specific hearings have been held on S. 435, a number of Senate hearings have been held on "reinventing" HUD. HUD, Justice, and OMB have sent letters to the

Senate Banking, Housing, and Urban Affairs Committee strongly opposing Title II of S. 435. Title II would transfer to Justice all of the responsibilities currently assigned to HUD under the Fair Housing Act. Basis for opposition: The administration of these authorities is best accomplished by HUD, which has the infrastructure to handle these responsibilities.

#### 14. National Highway System: (J. Brown)

Senate bill (S. 440) passed the Senate on June 22nd. It would designate routes for the new National Highway System (NHS). Absent designation of the NHS, DOT will be unable to obligate \$6.5 billion in highway funding in FY 1996. Basis for opposition: Repeal of national maximum speed limit law and motorcycle helmet requirements. (SAP to Senate, 6/15/95. A provision repealing Davis

-Bacon

-type labor protections, which was the subject of a Secretary of Labor veto threat in the SAP, was deleted on the Senate floor.) House bill (H.R. 2274) marked up in Subcommittee on September 7th. Scheduled for markup by the House Transport. Committee on September 8th. Basis of opposition. Repeal of national maximum speed limit law; removes four trust funds from the Budget -- inconsistent with unified budget; provides for the sequester of already authorized highway, highway safety, and mass transit funding. (Pena letter to Chairman Shuster, 9/7/95.)

#### 15. Highway Trust Fund Off

-Budget Bill: (J. Brown)

House bill (HR 842 and HR 2274). HR 842 was ordered reported by House Transport. Cte. on May 3. Subsequently

incorporated in HR 2274, the "National Highway System Designation Act of 1995" in a House Transport Subcommittee markup on September 7th. (The Speaker has stated that he will appoint a task force to study issues raised by this bill.) Basis for opposition: Bill removes four trust funds from the Budget -- inconsistent with unified budget. (Rivlin letter to Chairman Shuster, 3/27/95.) Senate bill (S. 729) was introduced on April 27 by Sens. Baucus and Lott.

16. Banking Deregulation: (R. Jones)

House Banking Committee reported Chairman Leach's HR 1858 (successor to HR 1362) on July 18. This bill may go to the House floor in tandem with HR 1062 (listed above). Basis for opposition: Weakens important safeguards for assuring the safety and soundness of FDIC

-insured

depository institutions and would eviscerate the Community Reinvestment Act. (Secretary Rubin issued a veto threat in a 6/29/95 letter to Chairman Leach.) Senate bill (S 650) is pending in the Senate Banking Committee. The Senate bill contains some, but not all, of the troublesome provisions.

17. Lorton Closure: (M.Cook)

The House Government Reform and Oversight D.C. Subcommittee has held a couple of hearings this year on HR 461, the "Lorton Correctional Complex Closure Act." At these hearings, no Administration witnesses were asked to testify. Justice, however, expects Administration witnesses to be invited to testify at future Subcommittee hearings on this matter. On 3/16/95, Justice sent a letter to this Subcommittee opposing HR 461. Basis for opposition: The approach of HR 461 is "seriously flawed" but alternatives, which will be discussed with the Congress, exist to remedy the Lorton issue.

18. Housing for Older Persons Act: (A.Briatico)

On April 6, 1995, HR 660 passed the House by a vote of 424 to 5. The Administration sent a SAP on 4/6/95 opposing H.R. 660. The Senate Subcommittee on the Constitution, Federalism and Property approved HR 660 by voice vote on August 2nd with an amendment that would require senior citizen housing to have at least 80 percent actual occupancy by seniors to qualify for the exemption from the Fair Housing Act. Basis for opposition: Amends the Fair Housing Act in a way that would loosen the standards used to determine what housing qualifies for the "housing for older persons" exemption, potentially increasing discrimination against families. Therefore, the Administration prefers administrative action to clarify the application of the "housing for older persons" exemption. NOTE: The bill's provisions are similar to those of Title IV of HR 8, the "Senior

Citizens' Equity Act," a Contract with America bill.

19. Counterterrorism: (R. Jones)  
Senate passed S 735 on June 7 (81

-8) The bill includes many proposals similar or identical to Presidential proposals (e.g., establishes Federal jurisdiction for terrorist acts, expedites removal of alien terrorists from the U.S., implements the international agreement on marking plastic explosives, etc.). Does not include the Administration's language for funding compliance with the 1994 digital telephony legislation. Includes habeas corpus reforms similar to that passed the House as a free standing bill (H.R. 729, listed under crime heading above). House Judiciary Committee reported H.R. 1710 on June 20 (23

-12). The House bill also includes many of the President's proposals, including a funding mechanism for digital telephony. Justice does not expect House floor action until September.

20. Regulatory Sunset and Review: (J. Gibbons)  
House bill (HR 994) was approved by a Gov. Reform &

Oversight Cte. on 7/18/95 with significant amendments by a vote of 39

-7. Basis for opposition: Open

-ended in scope, excessively rigid, and contradictory criteria for review of regulations; paperwork requirements are unworkable. (Katzen testimony of 3/28/95 before House Gov. Reform.) Senate action not scheduled, but could be folded into broader regulatory reform legislation.

21. Pipeline Safety: (J. Brown)  
House bill (HR 1323) has been reported by Transportation and Commerce Ctes. Basis for opposition: (1) Authorizes less than 44 percent of the FY 1996 Budget request for pipeline safety activities; and (2) imposes burdensome and costly risk assessment procedures on the pipeline safety rulemaking process. (DOT letter, 5/12/95.)

\*22. Dismantling Commerce Department: (J. Weinberg)  
House bill (HR 1756) hearing was held by two House Commerce Subcommittees on 7/24/95 at which Secretary Brown announced that the President will veto any legislation to dismantle the Commerce Department.

H. Science Committee is scheduled to markup HR 1756 on 9/14/95. Senate bill (S 929) hearing was held by Senate Governmental Affairs

on 7/25/95 at which  
Secretary Brown repeated  
Presidential veto  
statement. On 9/7/95 Senate  
Governmental Affairs  
Committee marked up S. 929  
and ordered it reported by  
a vote of 5 to 3.  
Basis for opposition: Commerce Department is working  
effectively to promote economic growth.

#### NATIONAL SECURITY & INTERNATIONAL AFFAIRS:

101. National Security: (A. Rooney)  
House passed HR 7 on February 16th (241

-181) (star wars  
was deleted on the Floor but many objectionable  
provisions remain which would infringe upon the authority  
of the President to respond to international crises and  
conflicts; remove UN peacekeeping as an option for  
burdensharing; establish an unnecessary Nat'l Security  
Commission; and mandate policies on NATO membership).  
(HR 872 was amended on the House floor and passed as HR  
7) On 4/7/95, POTUS said that he would refuse to approve  
the peacekeeping legislation passed by the House. SAP

(Feb. 13th)-- State, Defense, and the U.S. Ambassador to  
the UN would recommend a veto. Basis for opposition:  
Infringes on President's constitutional authorities as  
Commander in Chief; and virtually eliminates U.S.  
participation in UN peacekeeping efforts.  
Senate Foreign Relations Committee (SFRC) began hearings  
on March 21st on S 5, Peacekeeping Powers Act (introduced  
by Dole) and HR 7. Aspects of S 5 were considered on May  
17th as part of the SFRC markup of Foreign Affairs  
Authorization and Consolidation proposal (S 908) and  
deleted from the bill as reported. State advises that  
peacekeeping may be considered separately by the  
Committee at a later date.

102. Foreign Affairs Authorization and Consolidation:  
(A. Rooney)  
House passed HR 1561 on June 8th (222 - 192). On May  
23rd, the President expressed serious concerns regarding  
congressional legislation that would "place new  
restrictions on how America conducts its foreign policy  
and slash our budget in foreign affairs." Further, the  
President advised that if HR 1561 passed in its present  
form, he would veto it. SAP (May 22nd) -- State, DOD,  
Treasury, the U.S. Ambassador to the UN, AID, USIA, and  
ACDA would recommend a veto of HR 1561. Basis for  
opposition: Imposes numerous, far

-reaching restrictions  
on the conduct of American foreign policy;

inappropriately consolidates three foreign affairs agencies (AID; ACDA; USIA) into a "super" State Department; and significantly reduces appropriation authorizations for international affairs programs. Senate Foreign Relations Committee (SFRC) ordered reported Senator Helms' foreign relations authorization and consolidation proposal (S 908) on May 17th by a vote of 10- 8. On June 7th, SFRC ordered reported Senator Helms' Foreign Aid Reduction Act (S 961) by a vote of 10

-8. On July 26th, the President stated that S. 908 would undermine the President's authority to conduct our nation's foreign policy and deny us the resources we need to lead in the world. (The statement also cited S. 961 as contributing to the "dangerous and shortsighted" cuts in the international affairs budget.) The President concluded that he would veto this legislation in its present form. On August 1st, the Senate failed twice to invoke cloture on S. 908 on identical votes of 55

-45.

The Senate may return to consideration of S. 908 in September. SAP (June 28th) -- State, the U.S. Ambassador to the UN, AID, USIA, and ACDA would recommend a veto of S 908. Basis for opposition: Same as opposition to House bill. SAP on S. 961 (July 27th) -- State, Defense, U.S. Ambassador to the UN, and AID would recommend a

veto. Basis for opposition: unwise restrictions on Presidential authority, congressional micro

-management, and inadequate appropriations authorizations. Further Senate consideration of S. 961 is uncertain. 103. National Defense Authorization Act: (M. Goad) House passed HR 1530 (300

-126) on June 15th. Sec. Perry, in a June 20th letter to Sen. Thurmond, stated that "[m]any of the provisions . . . are totally unacceptable. Unless they are eliminated or radically modified, they threaten the prospects for the bill itself." SAP on HR 1530 (6/13/95)-

-strongly opposes. Basis for opposition: Raises serious constitutional, national security, budget, personnel, and management concerns. Senate passed S 1026, the companion bill, on September 6th (64

-34). The National Security Adviser, in an August 4th letter to Sen. Daschle, stated that "unless the unacceptable missile defense provisions are deleted

or revised and other changes are made to the bill . . . .  
the President's advisors will recommend that he veto the  
bill." SAP on S 1026 (7/31/95)--"The President will not  
support the bill unless these concerns are addressed."

Basis for opposition: Raises serious constitutional,  
national security, budget, and management concerns.

104. Jerusalem Embassy: (A. Rooney)

S 770/HR 1595 would require the United States to move its  
embassy to Jerusalem. On June 20th, Secretary  
Christopher sent a letter to Senator Dole and Speaker  
Gingrich stating that he would recommend a veto of the  
legislation. No action scheduled on either bill. Basis  
for opposition: Potentially very damaging to the success  
of the Middle East peace process and infringes on the  
President's constitutional prerogatives in foreign  
policy.

\*105. Bosnia: (A. Rooney)

On August 11th, the President vetoed S. 21. Attempts to  
override the veto are expected in September. In July  
25th letters to Senators Dole and Daschle, the President  
expressed strong opposition to S. 21, the Bosnia and  
Herzegovina Self

-Defense Act. The President concluded  
that he would veto any resolution or bill that "may  
require the United States to lift unilaterally the arms  
embargo." A similar provision was added to H.R. 1561  
during House consideration. (See above for status of  
H.R. 1561). The Senate passed S. 21, by 69

-29 on July

26th and the House, by a vote of 298 to 128, passed and  
cleared the bill for the President on August 1st. Basis  
for opposition: Undermine efforts to achieve a negotiated  
settlement in Bosnia and could lead to an escalation of  
the conflict there, including the possible

Americanization of the conflict.

## NATURAL RESOURCES, ENERGY & SCIENCE

201. Farm Bill: (C. Crutchfield)

Traditionally a 5

-year measure, this legislation will  
reauthorize a slew of farm, nutrition, rural development,  
and other USDA programs. The Administration's Farm Bill  
guidance assumes savings in farm programs of \$1.5 billion  
over 5 years. The 1996 Budget Resolution calls for cuts  
in farm programs of \$8.5 billion over 5 years and \$13.4  
billion over 7 years. Committee action will begin  
earnestly in the fall, with the House Ag. Ctte. scheduled  
to mark up budget reconciliation instructions on 9/13/95  
and the Senate Ag. Ctte. expected to follow soon  
thereafter. Mandatory farm programs will likely be

included in reconciliation, although the House and Senate seem to be taking different approaches. Rep. Roberts has proposed a "Freedom to Farm" bill (HR 2195) that decouples farm payments from production levels, but not from conservation and crop insurance requirements. Many Senators, such as Sen. Cochran (S 1155), want to take a more incremental approach, such as increasing nonpayment acres to reduce outlays. (NOTE: See item #310 for information on Secretary Glickman's veto threat against block grants for food stamps.)

202. Clean Water Amendments of 1995: (H. Fitter)  
House passed HR 961 on May 16th, by a vote of 240

-185.

The bill would ease, overhaul, or revoke a number of current law's anti

-pollution requirements, allow States to continue to rely on voluntary measures to deal with certain water pollution problems, and restrict the ability of Federal agencies to declare wetlands off limits to development. On May 30, 1995, POTUS stated that the House

-passed bill "will not get past my desk."

SAP, sent on May 9, 1995, contained multiple agency veto threat (OMB, Justice, EPA, Interior). Basis for opposition: The bill would reduce water quality protection; eliminate fundamental wetlands protections; create enormous new costs (the bill includes a "mandatory compensation" takings provision similar to that contained in HR 925); fail to address effectively non

-point source

pollution; and paralyze the Federal Government's ability to issue regulations and guidance to protect the Nation's waters. Senate Environment Chairman Chafee has indicated that Clean Water Act reauthorization is not one of his top priorities.

203. Endangered Species: (M. Goad)

At July 13th and 20th oversight hearings before the Senate Environment and Public Works Committee, the

Departments of Commerce and the Interior testified on the Endangered Species Act (ESA). The Committee may hold additional oversight hearings. CEQ expects that, once the oversight hearings are concluded, Sen. Kempthorne (R) ID will introduce a bill to reauthorize the ESA.

On May 25th, the Departments of Agriculture, Commerce, and the Interior testified before the House Endangered Species Task Force on possible changes to the ESA. CEQ and Interior advise that the House Task Force will not complete drafting legislation to amend the ESA until

after the August recess.

204. Safe Drinking Water: (H. Fitter)

Reauthorization of the 1974 law designed to keep contaminants out of the nation's water supply. State and local officials want a State revolving loan fund for water supply projects and relief from testing requirements. House Commerce staff and Senate Environment and Public Works staff, respectively, are working on draft bills.

205. Interstate Waste: (H. Fitter)

Senate passed S 534 on May 16th, by a vote of 94

-6. S.

534 would give states more power to restrict both intra and interstate garbage dumping. House Commerce subcommittee marked up an unnumbered subcommittee print on May 18, 1995. Timing of full Committee action is uncertain.

206. Superfund Reform: (H. Fitter)

The taxes which fund the hazardous waste clean

-up program

expire at the end of 1995. There is support among some Republicans to scale back retroactive liability (which would shift much of the costs to the government). Senate Environment Subcommittee Chair Bob Smith has circulated a "Superfund Reform Outline" containing principles for Superfund reform. EPA Administrator Browner, in a July 11th letter to Senator Smith, stated that the outline "incorporates proposals that are unfair, unworkable, or insufficiently protective of human health and the environment." (EPA is especially concerned about the outline's repeal of strict, joint, and several retroactive liability.) Browner's letter further advised, "we do not believe this outline will establish a viable basis on which to attract the broad support that is needed if we are to achieve Superfund reform in the limited time left in this calendar year." House Transportation and Commerce subcommittee on Hazardous Material has held numerous subcommittee hearings on Superfund reform. On July 17th, Subcommittee Chairman Oxley unveiled his superfund reform proposal which is

similar to the Smith outline. EPA Administrator Browner, in a July 24th letter to Chairman Oxley, reiterated the concerns she raised on the Smith proposal. On July 24th Subcommittee Chairman Boehlert unveiled "Superfund '95 A Road Map to Reform". While the Boehlert proposal is preferable to the Smith/Oxley proposals, initial Administration review indicates a variety of problems.

207. Mining Law: (C. Crutchfield)

Senate Energy and Natural Resources Committee has postponed indefinitely markup of S 506 and apparently

will not act this session. Interior Secretary Babbitt stated in a 5/22/95 letter to Chairman Murkowski that he would recommend a veto of S 506. Basis for opposition: S 506 does not provide for meaningful reform. It would (1) grant rights to purchase valuable Federal mineral lands at bargain

-basement prices; (2) deprive Federal land managers of authority to protect the environment; and (3) result in little or no return to Federal taxpayers for use of publicly

-owned mineral deposits.

Justice also strongly opposed S 506 in a 6/12/95 letter because it would increase litigation over public liability for cleanup. House has not scheduled action.

208. Utah Wilderness: (C. Crutchfield)

House Resources Committee on 8/2/95 ordered reported HR 1745, designating certain Federal lands in Utah as wilderness. Interior testified 6/29/95 before the Committee that the Secretary would recommend a veto of HR 1745. Basis for opposition: The bill would (1) fail to designate enough land as wilderness; (2) open up for development too much land currently protected as wilderness study areas; and (3) allow road construction and other activities that are incompatible with wilderness designation. Senate Energy and Natural Resources Committee has begun consideration of identical legislation (S 884) introduced by Sens. Hatch and Bennett. Interior testified on 7/13/95 before the Committee that the Secretary would recommend a veto of S 884. Basis for opposition: Same as House.

\*209. Livestock Grazing: (C. Crutchfield)

Senate Energy and Natural Resources Committee reported S 852 on 7/28/95, however Senate floor consideration is uncertain. The bill's sponsor (Domenici, R

-NM)

reportedly indicated during the August recess that he would postpone action on S 852 to address criticism from a coalition of recreation, hunting, and conservation groups that the bill would make livestock production the dominant use of public lands. Interior hopes the delay will give time for its new grazing regulations, which took effect on August 21st, to become more firmly established. Interior strongly opposed S 852 in

testimony before the Senate on 6/22/95, and USDA Forest Service objected in a 7/18/95 letter to provisions in the reported bill that apply to National Forest System lands. Basis for opposition: S. 852 would (1) establish grazing as a dominant use for public lands over recreation, wildlife protection, and other concerns; (2) limit public involvement in the management of public lands; and (3)

restrict land managers ability to enforce environmental and other applicable statutes. In the House, Interior opposed the companion bill (HR 1713) in testimony on 7/11/95 before the National Parks Subcommittee.

Subcommittee markup of H.R. 1713, originally scheduled for August 4th, is scheduled for September 12th.

210. Transfer BLM Lands to States: (C. Crutchfield)

Interior testified before the House National Parks Subcommittee on 8/01/95 that the Secretary would recommend veto of HR 2032. Basis for opposition: HR 2032 would "transfer tremendous national assets and revenues to a small number of fortunate States. The bill is fiscally irresponsible and would squander much of our national heritage." No bill introduced in the Senate.

211. Energy Exploration in the Arctic National Wildlife Refuge: (M. Goad)

On 08/02/95, the Senate Energy and Natural Resources Committee held an oversight hearing on oil and gas exploration on the coastal plain of the Arctic National Wildlife Refuge. Interior Secretary Babbitt, in a statement presented before the Committee, stated that he would "recommend to the President that he veto any legislation" that would allow for such activity in the Refuge. Basis for opposition: Such legislation would allow industrial development in, thus placing at risk the wildlife resources of, the only area along on the Alaskan arctic coast that is dedicated to the protection of wildlife and wilderness resources.

## HUMAN RESOURCES

301. Welfare Reform: (M. Cook)

HR 4 (SAP, 3/21/95 said oppose, but in a 4/13/95 CNN interview, POTUS said "I'd be happy to veto"). Basis for opposition: denial of cash benefits to unwed parents under age 18; funding cuts to Food Stamp and other nutrition programs; funding cuts and removal of Federal oversight of State child protection systems; inadequate resources and requirements for States to move people from welfare to work; and inadequate resources for States in times of recession.

House passed H.R. 4 on March 23 (234

-199) which would

replace current welfare programs with 5 block grants to States (cash welfare; child welfare; child care; school meals; family nutrition). House SAP opposed H.R. 4 because it would: fail to reform welfare by moving people from welfare to work; reduce Federal funding in ways that would impair the health and nutrition of children and families; and is not tough enough on parents who owe child support, and too tough on innocent children.

Senate Finance Committee reported its version of H.R. 4

on June 9. The bill would block grant AFDC; impose a five- year time limit on benefits; tighten eligibility for SSI; and strengthen child support enforcement. HHS cited concerns with the bill in a May 24 letter to the Committee. On August 3, 1995, Senator Dole introduced S. 1120, a "perfecting amendment." S. 1120 is based on the S. Finance Committee's H.R. 4, but also includes provisions: reauthorizing the Child Care Development Block Grant; consolidating training programs (based on S. 143, Kassebaum's Workforce Development Act); and allowing States the option of receiving their Food Stamp revenue in the form of a block grant. Senate floor action began on S. 1120 on Saturday, August 5th, but was tabled until the week of September 5th. On August 5th, a SAP on S. 1120 was released opposing this bill and strongly supporting S. 1117, the Democratic leadership welfare reform alternative.

302. Social Security Earnings Test: (M. Cook)  
House-

-increase in earnings limit to \$30,000 included in HR 1215, which passed on April 5, (246

-188). Senate  
action unclear.  
303. Davis

-Bacon Repeal: (C. Bowers)  
H.R. 500 and S. 141 would repeal the Davis

-Bacon Act of  
1931. The act requires Federal contractors working on jobs valued at more than \$2000 to pay their workers the "local prevailing wage," which is often the union rate. A House Economic & Education Opportunities Subcommittee referred H.R. 500 to full committee on March 2. Senate Labor & Human Resources Committee reported S. 141 on May 12. A provision to repeal Davis

-Bacon coverage of  
Federal Highway projects was dropped from S. 440, the National Highway bill (see entry above). S.1120 (Work Opportunity Act of 1995) would modify Davis

-Bacon labor  
standards protections for tenants of public housing. The Administration's SAP on S.1120 (dated August 5, 1995) recommended deleting this provision from the bill and indicated that Davis

-Bacon reform would be the  
appropriate avenue for making changes Davis

-Bacon

requirements. Basis for opposition: repeal of Davis

-Bacon requirements would depress workers' wages. President quoted on 4/6/95 as saying he would veto S.

141; Reich letter -- would recommend veto 3/18/95. (Also Reich letter and Senate SAP on S. 440 stated Labor would recommend veto.

304. Service Contract Repeal Act: (B. Pellicci) Press reported that VP indicated on 2/20/95 that President would veto such legislation. Basis for opposition: repeal of Service Contract Act would depress workers' wages. HR 246 was marked up by a House EEO subcommittee on 3/03/95.

305. Minimum Wage Increase: (A. Briatico) On 2/13/95, President transmitted to Congress a proposal to raise the minimum wage in two 45 cent steps -- raising the rate to \$4.70 per hour on July 4, 1995 and to \$5.15 per hour on July 4, 1996. President's proposal introduced as S. 413 and H.R. 940. Senator Kassebaum indicated on April 21 that the Senate Labor and Human Resources Committee will hold hearings on increasing the minimum wage. No date has been set.

306. Striker Replacement: (B. Pellicci) On 3/8/95, President issued an Executive Order to deny Federal contracts to employers that permanently replace striking workers. H.R. 1176 and S. 603 would nullify the Executive Order. The House Economic and Educational Opportunities Committee reported H.R. 1176 on June 27. The House passed Labor/HHS Appropriations bill (H.R. 2127) contains a provision prohibiting the use of funds to enforce the President's Executive Order.

307. Teamwork for Employees and Managers Act: (B. Pellicci) HR 743 and S295. (Reich letter: recommend veto, 3/6/95 and 6/21/95; press reported that VP said on 02/20/95 that President would veto such legislation.) Basis for opposition: would allow employers to establish company unions or alternative, company

-dominated organizations where unions already exist. HR 743 was ordered reported on 6/22/95 by the House EEO Committee. No action has been taken to date on S 295.

308. Social Security Solvency: (M. Cook) The "Strengthening Social Security Act of 1995" (S. 825), one of the "Simpson/Kerrey" bills, is designed to secure the long

-term solvency of the Social Security program. It would: (1) accelerate the currently scheduled increase of the normal retirement age; (2) limit COLAs to

certain Social Security beneficiaries; (3) adjust, for a limited period, Social Security COLA estimates based on CPI; (4) modify the formula for determining the primary insurance amount (the basic monthly benefit payable to a worker) to make it more progressive; (5) allow future

beneficiaries to divert up to 2 percentage points of their payroll taxes to place in their own personal investment plan; (6) reduce gradually spousal benefits starting in 2000; (7) redirect revenue obtained through the taxation of Social Security benefits from the HI Trust Fund to the OASDI Trust Fund; and (8) invest a portion of the OASDI Trust Fund assets in a stock fund index. On June 27, 1995, a Senate Finance Subcommittee held a hearing on the solvency of the Social Security system. To date, the Administration has not taken a position on S. 825. No comparable bill has been introduced in the House.

309 Employment, Training, and Retraining: (C. Bowers) Both the Senate and House authorizing committees have reported bills that would consolidate numerous Federal education and job training programs grants for youth development and career preparation, adult training, adult education and literacy, and vocational rehabilitation. These bills differ significantly from the President's proposal to restructure education and job training programs (the G.I. Bill for America's Workers), and they reduce substantially Federal resources for these functions. House Economic and Educational Opportunities (EEO) Committee reported H.R. 1617 (The Consolidated and Reformed Education, Employment and Rehabilitation Systems, or 'CAREERS' Act) on May 17, 1995. It is expected that H.R. 1617 will be linked on the House Floor with H.R. 1720 (Privatization Act of 1995), which was reported by the House EEO Committee on June 22, 1995. H.R. 1720 would privatize Sallie Mae and Connie Lee and eliminate numerous higher education programs. The Administration proposes to privatize these GSEs and eliminate the higher education programs, but its privatization initiatives differ in certain respects from H.R. 1720. Senate Labor and Human Resources Committee reported S. 143 (Workforce Development Act) on June 21, 1995. The provisions of S. 143 were incorporated in large part into S. 1120, the Republican leadership welfare reform bill. The August 5th Statement of Administration Policy on S. 1120 expressed concerns with a variety of these provisions and stated that the inclusion of the provisions in S. 1120 was inappropriate?.

310. Food Stamps - Block Grant: (M.Cook)

Sec. Glickman stated before S. Ag. Cte., 5/23/95, that he strongly opposes block granting food stamps and that the President has indicated his intention to veto such

legislation. Basis for opposition: would jeopardize the health and nutrition of low

-income families.

Any changes made to the Food Stamp program are expected

to be done within the context of Welfare Reform. S. 1120, the Senate Republican leadership welfare reform bill provides States the option of receiving their Food Stamp revenue as a block grant. Senate floor action on S. 1120 began on 8/5/95, but was tabled until the week of September 5th. House

-passed HR 4 (the welfare reform bill) and HR 1997 (the food and nutrition title of the Farm Bill), as approved by a H. Agriculture Subcommittee on 7/11/95, do not contain provisions that would block grant Food Stamps. According to USDA, the Full H. Agriculture Committee is expected to take up HR 1997 in September.

311. OSHA Reform: (C. Bowers)

The House Economic and Educational Opportunities Committee, Subcommittee on Workforce Protections, held a hearing June 28, 1995, on H.R. 1834 (Ballenger), the "Safety and Health Improvement and Regulatory Reform Act of 1995." Labor testified against H.R. 1834. Basis for Opposition: Would redirect funding away from enforcement activities, jeopardize the health and safety of American workers by weakening enforcement and regulatory authority, and particularly threaten miners by revising Federal mine safety and enforcement. On July 12, 1995, Secretary Reich held a press conference on the House appropriation subcommittee actions affecting the Department of Labor. In response to a question, Secretary Reich stated that he "will strongly recommend a veto of the Ballenger bill . . . [which] amounts to a wrecking ball rather than reform." H.R. 1834 is pending in the subcommittee.

## HEALTH & PERSONNEL

401. Federal Retirement Reform Act: (M. Cook)

HR 1215 and HR 1185 both include Federal retirement reform provisions. The Administration's position on such reforms has been articulated in the President's 4/5/95 letter on HR 1215 to Speaker Gingrich and in OMB's 3/15/95 letter on HR 1185 to Speaker Gingrich. Basis for opposition: Reduces retirement benefits of Federal employees to finance a tax cut for the wealthy.

On 3/15/95, the full H. Government Reform and Oversight Committee began consideration of HR 1185. It, however, recessed before taking action on the bill. NOTE: Title IV of HR 1215, as passed by the House on 4/5/95

-188), contains provisions similar to those of HR 1185. To date, the Senate has taken no action on a stand

-alone retirement bill. On June 19, 1995, however, the FBI and DEA testified before a S. Governmental Affairs subcommittee opposing changes in retirement benefits for Federal employees. Modifications to Federal retirement

programs are likely to be included in reconciliation legislation.

MEMORANDUM FOR LEON PANETTA, THE WHITE HOUSE  
FROM: Richard W. Riley  
SUBJECT: Weekly Report for September 17 - 23  
KEY DEPARTMENT NEWS

America Goes Back To School. This week, I and several of the Department's senior officers are visiting schools around the country to highlight the Department's effort to encourage community members and parents to participate in the schools. I have visited schools in South Carolina, Missouri, Tennessee, and Ohio. Assistant Secretary Norma Cantu traveled to Atlanta, and Acting Inspector General John Higgins visited New Jersey. Special advisor Terry Dozier visited several schools in Florida. Bilingual Education Director Gene Garcia and Congressman Xavier Becerra visited an Arlington, VA elementary school. Assistant Secretary David Longanecker spoke at the University of Colorado at Boulder, where he also hosted the communications downlink of President Clinton's September 11 speech at Southern Illinois University. Assistant Secretary Rod McCowan traveled to his high school in Oklahoma, and acting Assistant Secretary Trish McNeil visited school

-to

-work sites in Hawaii and Colorado. Assistant Secretary Mario Moreno visited over a dozen schools in New Mexico and Texas, including the University of Houston, where he was accompanied by Congressman Gene Green. Assistant Secretary Payzant spoke with students, staff, and PTA leaders in New York City, Assistant Secretary Sharon Robinson traveled to several schools throughout Minnesota, and General Counsel Judy Winston visited her former middle school in Pennsylvania. During the coming week, Deputy Secretary Kunin will be visiting schools in Washington State.

FY 1996 Appropriations. The Senate Appropriations Subcommittee marked up the Department's 1996 appropriations legislation on September 13. The Subcommittee bill would provide \$28.6 billion for the Department over the next year -- an increase over the House bill of \$1.5 billion, but a drop of \$2.2 billion from the 1995 level and \$3.8 billion from the President's request. The Subcommittee allotted \$6.02 billion for Title I Grants to Local Educational Agencies, an increase over the House amount by \$464 million, but \$980 million less than the President's request. The House had eliminated FY 96 funding for Goals 2000, while the

Senate Subcommittee would restore \$310 million, or less than half the President's request of \$750 million. For Safe and Drug

-Free

Schools programs, the Subcommittee maintained the House level of \$200 million for Department of Education programs, compared with

## BOTTOM EVEN

- \p -

the President's request of \$500 million; however, the Senate Subcommittee also approved an additional \$200 million to be transferred to HHS under this authority. The full Senate Appropriations Committee is marking up the bill today, and Senate Floor action is expected the week of September 25.

Department Shutdown. In response to OMB's request, the Department has prepared a draft plan for shutting down operations in the event of a lapse in appropriations. The Direct Loans expenses are covered by a permanent appropriation, and the National Institute for Literacy has a multiyear account, so staff members from these two programs will continue working. Other than that, only the 16 Presidential appointees and one assistant for each will continue working during a shutdown.

### Hispanic Drop

-Out Project. I will hold a press conference September 18, with Senator Jeff Bingaman, to announce the Department's new effort to examine the issue of the high drop

-out

rate among Hispanics.

ABA Speech. I will speak at the American Bar Association Constitution Day, on September 18.

AFT Luncheon. On September 18 I will address the American Federation of Teachers.

Committee for Education Funding. I will address a dinner meeting of the Committee for Education Funding on September 18.

Satellite Town Meeting. The next Satellite Town Meeting will originate in Seattle on September 19. The topic is "Educational Technology: Linking Schools to the Future."

Georgetown University. Congressman Bill Goodling and I will speak on September 20 at the Georgetown University Student Aid Forum.

Chicago Trip. I will travel to Chicago September 20

-21 and am

scheduled to meet with Hispanic leaders, have lunch with Mayor Daley, speak at the Kohl

-McCormick Early Childhood Teaching

Awards, and attend the Goals 2000 Conference dinner.

AASA Speech. On September 22 I will speak to the American Association of School Administrators.

U.S.

-Mexico. I will participate in the U.S.

-Mexico conference

October 5

-6.  
Higher Education Conference. October 8 and 9 I will participate in a national conference the Department is organizing on higher education funding. Senator Kassebaum and Congressman Goodling

-TV in Manchester.  
CONGRESS

Budget Reconciliation. The House Economic and Educational Opportunities Committee plans to mark up the budget reconciliation package during the week of September 18. The Committee is expected to recommend eliminating or capping the Direct Loans program, as well as reducing Federal Family Education Loan subsidies for lenders and implementing other measures that will affect guarantors, secondary markets, parents, and students. The full House is expected to consider the budget reconciliation legislation during the week of September 25. On September 20, the Senate Labor and Human Resources Committee is scheduled to mark up its budget reconciliation recommendations. Upcoming Education Legislation. During September the House may consider the CAREERS bill, which consolidates job training programs, and legislation to privatize Sallie Mae and Connie Lee. This legislation may be attached to the budget reconciliation legislation.

Congressional Meetings. This afternoon, I will be meeting with Senator Tom Daschle to discuss education issues and legislation. I will also meet with Congressman Bill Richardson. On September 22, I plan to meet with Congressman Jack Reed.

Congressional Black Caucus. I will appear September 22 at an Issues Forum sponsored by the Congressional Black Caucus.

news service that will be provided to classrooms free of charge.

Interviews. I was interviewed about "America Goes Back to School" and about budget cuts by NBC News, ABC News, CBS Radio, WBIG Radio, and media in Florida, South Carolina, Missouri, Ohio, and Tennessee. My speech to the National Press Club was covered by C

-SPAN, CNN, ABC, USA Today, and numerous regional reporters. Under Secretary Smith was interviewed by the America's Talking network regarding "America Goes Back to School" and the budget cuts.
