Dear Friend of the Urban League:

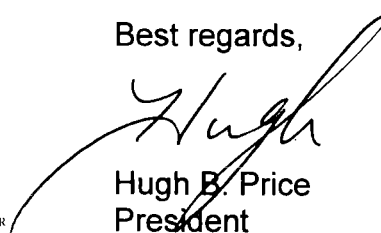

My colleagues and I are still basking in the afterglow of what by many accounts was the best annual conference in the history of the National Urban League. But now that Labor Day is behind us, it's back to work.

As I do from time to time, let me share some materials that illustrate the Urban League movement in action. Enclosed please find:

- Recent press clips and listing of media appearances
- Copy of the keynote address that I delivered at the annual conference
- Latest copy of *Opportunity* journal

I hope you find these materials of interest. Please don't hesitate to call me if you'd like additional information. Thanks ever so much for your interest and support.

Best regards,

Hugh B. Price
President
