THE WHITE HOUSE
WASHINGTON

MEMORANDUM FOR THE OFFICE OF PRESIDENTIAL MESSAGES

From: Sandra L. Thurman 
Presidential Envoy for AIDS Cooperation, &
Director, Office of National AIDS Policy
(202) 456-2437

Date: December 28, 2000

Re: Inscriptions for Photos – World AIDS Day 2000

Please find attached official White House photos taken with the President on World AIDS Day 2000, as well as two from the event with the Presidential Advisory Council on HIV/AIDS (PACHA). The World AIDS Day event with the President was an integral part of the first White House Interfaith Summit on HIV/AIDS, which highlighted the important role that communities of faith play in the battle against AIDS. This summit was the final piece of the President's LIFE initiative in which the Administration committed to increase US support for fighting this devastating pandemic.

While I realize time is short, I would greatly appreciate it if we could commemorate the remarkable work and dedication of the participants who came from around the world with a signed photo taken with the President. Individual inscription slips are attached to each of the photos. Please call Sarah Holewinski at (202) 395-1441, of my staff should you have any questions. Thank you so much for your kind assistance to this request.
