Dear Ms. Thurman:

I write to extend an invitation to you to visit St. Columba's and address our Sunday Adult Forum. With the constantly changing face of AIDS I believe it is important for a parish such as ours to have the most up to date insights as it evaluates its response. I particularly hope that you might visit us this Fall, with November 14 being my preferred date.

St. Columba's is a large parish of roughly 3,000 people in Northwest Washington. On a Sunday morning our Adult Forum is scheduled from 10:15-11:00 and offers an opportunity to address 250-300 thoughtful and involved people and engage their questions and answers. We schedule a variety of speakers who we hope will help us reflect on the issues of our day in the light of our faith.

As a parish St. Columba's participates in both ECRA here in Washington and with a Pediatric AIDS mission group.

I hope you will be able to consider this invitation positively and would be delighted to discuss it with you at your convenience.

With thanks and all best wishes, I am yours,

Faithfully,

James M. Donald
