Subject: **Meeting Request**

It has been some time since we first met to discuss efforts to increase access to treatment for those indigent persons living with HIV who do not otherwise qualify for public benefit programs. Since that time, important steps have been taken and new opportunities identified. I would like to set up a meeting within the next few weeks to assess our progress and develop strategies for moving forward.

Someone from my staff will be contacting your office to inquire about your availability. I hope you will be able to participate and look forward to seeing you soon. Should you have any questions in the interim, please feel free to contact me or Todd Summers at (202) 456-2437. Thank you in advance for your cooperation.
