Dear Sandra:

On behalf of our entire Caucus, thank you for attending the DPC lunch on February 3, 2000.

Your remarks and Rory Kennedy's documentary film demonstrated the tragic human consequences of AIDS in Africa--one of the world's most significant public health crises. We look forward to working with you to respond in a meaningful way to this crisis.

Thank you again for attending the lunch. It is my hope that you will visit us again in the near future.

With all best wishes,

Byron L. Dorgan
Chairman
