Dear Ms. Thurman:

On behalf of the AIDS Task Force of Alabama's Board of Directors, clients and staff, I would like to invite you to be a keynote speaker for our annual statewide Awards and Recognition dinner on December 9, 1999, in Birmingham, Alabama. The South wants you back, if only for a day. We will be happy to coordinate your visit to include time with consumers, officials, and others you may need to meet.

This event affords AIDS service organizations throughout our state an annual opportunity to honor community members and fellow professionals who continue to make a powerful impact in our work for persons with AIDS. This year we are paying special tribute to Mr. Cornelius Baker for his work with the National Association of Persons with AIDS. Mr. Baker will also be a speaker at this event. We anticipate 150-300 statewide AIDS activists to be present.

Sandy, it would be such a privilege to share this evening with you. We want to present you with a distinguished service award as a leader in our AIDS movement. We are so appreciative of all that you are doing to battle this epidemic on a national level. Thank you for your consideration of this request. Please feel free to contact Shirley Hay or me at (205) 324-9822 if we can answer any questions or be of assistance. We look forward to hearing from you at your earliest convenience.

Sincerely,

Randall H. Russell
