Dear Ms. Thurman

We cordially invite you to the Presentation of "Breaking the Silence on HIV/AIDS", a new Campaign for TV/Radio on HIV/AIDS Prevention designed for the Hispanic community. This campaign is directed to reduce the stigma and rejection related to HIV/AIDS. This presentation will be held on September 10th, 1999, 7:00 pm, at Casa Puebla located at 2710 Broadway 2nd Floor, corner West 104th Street, Manhattan).

Breaking the Silence on HIV/AIDS is produced by COMGRIS, a media organization that since 1996, produces a Spanish TV Program on HIV/AIDS Prevention broadcast on Manhattan channel 34. In 1998 we produced the first HIV/AIDS prevention campaign produced by Hispanics for the Hispanic community in the USA. It is aired on Univision and in several Public Access Television stations in United States. The response has been overwhelming.

This campaign was produced with help and advice of the following media and HIV/AIDS organizations: Cable Positive, Village Center for Care, Manhattan Neighborhood Network, Latino Commission on AIDS, and several others.

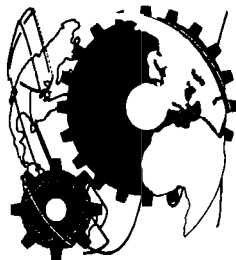

We strongly encourage you to attend the presentation of this unique campaign, and to support this project.

Cordially yours,

Sabino Peralta R.
