Attn: Sandy Thurman, Director

Sandy,

On behalf of myself and the entire Miss Universe Organization I want to thank you for so much for meeting with Mpule and myself. We are currently reviewing all of the information we gathered from our meeting with members of the international AIDS community that was set up by Mary Partlow and Bonnie Pfeifer. I will follow up with you about upcoming events.

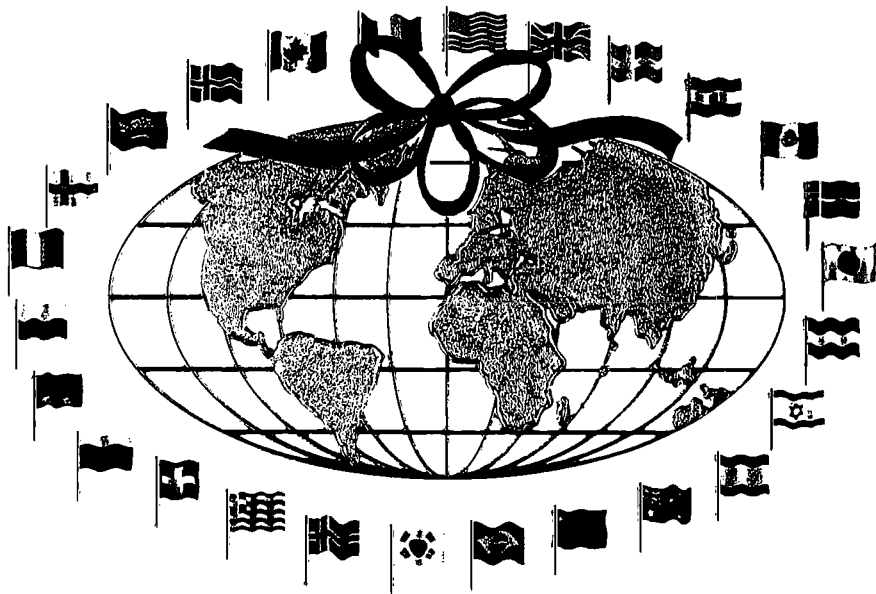

It is your work and passion that inspire us. We look forward to lending our support, together as we fight AIDS, by bringing awareness, compassion, and raising funds not only domestically, but around the world.

Sincerely,

Donna Rubinstein
