Dear Ms. Gebbie:

Thank you for accepting the American Academy of Pediatrics invitation to participate in our Committee on Pediatric AIDS meeting in Newark, New Jersey at 8:00 a.m. on October 3, 1993. The committee is meeting at the Radisson Hotel Newark Airport in Newark, New Jersey. We have reserved a room for you at the hotel should you wish to arrive the night before the meeting.

The AIDS Committee proposes Academy policy on all issues regarding pediatric AIDS. Your participation in this committee process will allow us to share our pediatric experiences with you and for us to gain a greater understanding of your perspective and agenda as our country's new AIDS Policy Coordinator. I have enclosed a list of each of the members and liaisons to the Academy's Committee on Pediatric AIDS. We have reserved two hours for you and the Committee. It would be helpful if you could begin the meeting with an overview of your perspective and agenda regarding AIDS. The remainder of the meeting could be an informal discussion of various AIDS issues. The following are some of the issues we would like to discuss with you: AIDS and health care reform, names reporting, CDC prevention efforts, and the pediatric demonstration programs.

Thank you again for accepting our invitation. I look forward to your meeting with the Committee and to building a strong line of communication on pediatric AIDS issues. Should you need any additional information, please contact Mr. Damian Thorman, Assistant Director of the Academy's Washington Office at (202) 347-8600.

Sincerely,  
Gwendolyn B. Scott, M.D.  
Chair, Committee on Pediatric AIDS
