Day: Sunday  
Date: October 17, 1993  
Time: 6:00-6:30 PM  
Location: Hilton Riverside at the  
Mississippi River (New  
Orleans)  
Subject: "AIDS: The American  
Response"

**SPECIAL**

Office of the Assistant Secretary  
for Health  
Washington DC 20201

September 16, 1993

NOTE TO: Kristine Gebbie

SUBJECT: Speaking Event - October 17 - New Orleans

Please consider the attached invitation to speak during the HIV section of the joint meeting of the Infectious Diseases Society of America and Inter-science Conference on Antimicrobial Agents and Chemotherapy.

The topic of the speech is "AIDS: The American Response."

For your information --

Dr. Lee accepted this invitation but at Secretary Shalala's request he is going to England instead.

Dr. Elders has a previous commitment that makes it impossible for her to attend.

I am working for Dr. Lee to find a top federal official to represent the administration. Please let me know if you are available and interested as soon as possible. Thanks.

Dr. Phillip R. Lee  
Assistant Secretary for Health - Designate  
Department of Health and Human Services  
200 Independence Avenue, SW  
Washington, D.C. 20201

Dear Dr. Lee:

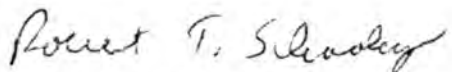

We are writing on behalf of the Program Committees of the Interscience Conference on Antimicrobial Agents and Chemotherapy, and the Infectious Diseases Society of America to invite you to participate in the HIV-related programming of the 1993 meetings of the two organizations. The meetings will be held in New Orleans, Louisiana with IDSA running from October 16-18 and ICAAC running from October 17-20. As outlined in the enclosed preliminary program, we would like very much for you to deliver a 20 minute lecture on Sunday, October 17 entitled "AIDS: The American Response". The lecture would be part of a symposium focusing on the changing complexion of AIDS and of the evolving response to it, and would be followed by a short question and answer period with the audience.

If you agree to participate, the American Society for Microbiology and the Infectious Diseases Society of America will together contribute \$1,000 to help defray your travel expenses (coach airfare, lodging, and meals) associated with the meeting(s). An expense reimbursement form as well as original receipts should be sent to the American Society for Microbiology at the close of the meeting. We are enthusiastic about the program, and about your participation in it. Please let us know whether you will participate by returning the enclosed form to us.

With best regards,

Sincerely,

Merle Sande, M.D.  
President, Infectious Diseases  
Society of America

  
Robert T. Schooley, M.D.  
For the Program Committee of  
the 34th Interscience  
Conference on Antimicrobial  
Agents and Chemotherapy

Dear Ms. Gebbie:

You are cordially invited to participate in the Annual Meetings of the Infectious Diseases Society of America (IDSA) and the Interscience Conference on Antimicrobial Agents and Chemotherapy (ICAAC) at a joint symposium, which is scheduled Sunday, October 17, 1993 at the New Orleans Convention Center, and your talk will last from 7:00 p.m. - 7:30 p.m. The lecture will be part of a symposium focusing on the changing complexion of AIDS and of the evolving response to it, and would be followed by a short question and answer period with the audience to last until 8:30 p.m.

For your participation, the American Society for Microbiology (ASM) and the IDSA will together contribute \$1,000 to help defray your travel expenses (coach airfare, lodging, and meals) associated with the meeting(s). An expense reimbursement form as well as original receipts should be sent to the ASM at the close of the meeting. The address is: ASM, 1325 Massachusetts Ave., NW, Washington, DC 20005.

Thank you in advance for your participation in these meetings.

Sincerely,

Michael S. Hamm  
Executive Director, IDSA
