FR: WILLIE L. BROWN, JR.
SPEAKER OF THE ASSEMBLY

Thank you for agreeing to meet with members of the California legislative delegation during its annual Washington trip. We hope to hear from you about those HIV/AIDS issues that you consider most important, especially to California.

Our Members are especially interested in hearing from you on the following issues:

- o Reauthorization of the Ryan White CARE Act, and how much California can expect in federal funding under the act.
- o The probability of early reauthorization of the Ryan White CARE Act.
- o The potential for increased HIV/AIDS prevention and education funding.
- o Your views on clean needle exchange and the possibility of federal legislation to authorize exchange programs.
