Rev. Jannine McCurley, from the Lutheran Home at Germantown (social ministry of ELCA) called to request a telephone meeting to discuss how to get the ELCA more involved in HIV/AIDS care and prevention. Their group is parent to BETAK, Pennsylvania's only skilled nursing facility for PWAs. I figured this was something that you'd like to do so it is scheduled for 3/7 at 4:30 p.m. Let me know if you need more background.

Mr. Bennett Balmer
Administrator
Betak Nursing Home
7141 McCallum Street
Philadelphia, PA 19119-2937

Dear Mr. Balmer:

Thank you for your recent letter and its detailed information on your program. I am sorry that my schedule did not permit a site visit to Betak on my most recent visit to Philadelphia.

I would be interested in seeing the program on a future trip to Philadelphia, and have requested my Scheduler, Steve Lee, to assure that we consider such a visit the next time I'm in the area.

Best wishes for the holiday and the year ahead.

Sincerely,

Kristine M. Gebbie, R.N., M.N.
National AIDS Policy Coordinator
