Dear Steve:

I am delighted to confirm with you Kristine Gebbie's visit to the Howard Brown Health Center on March 11, 1994 from 9:00 a.m. until 12:00 p.m. with a luncheon for her to be provided immediately after. The staff and I are working on the best way to insure that Kristine meets clients and has a chance to hear first hand about the needs of gay men who are living with HIV and AIDS.

Once we have an agenda drafted I will forward it on to you for your review. We want to give Kristine every opportunity to spend time talking directly to clients and others in the gay community who are suffering from HIV and AIDS. We're also planning a luncheon for Khristine to meet individuals in leadership positions in the community who she may not have met during her other travels. I look forward to working with you and to seeing Khristine on the eleventh. Thank you.

Sincerely,

Dear Kristine:

I really enjoyed meeting you during my recent visit to Washington. Your role in coordinating AIDS activities throughout the country is an extremely important one. I look forward to supporting your work in whatever way I can.

I will call your office next week and work with Retina to begin coordinating your visit to Howard Brown Health Center in late October. I want to ensure that your experience in Chicago is as rich and varied as possible.

Once again, it was delightful meeting you. I look forward to working with you over the months to come.

Sincerely,
