Dear Kristine,

Thank you for accepting to present at NANDA's 11th National Conference for the Classification of Nursing Diagnosis. The theme of the conference is Advancing Professional Practice with Nursing Diagnosis. As we discussed, you are scheduled to present, the Closing Address: "The Politics of Nursing Diagnosis," from Wednesday, March 30, 2:15 pm to 3:00 pm.

Since NANDA is attempting to improve its financial base in 1994, the Board of NANDA is requesting that speakers seek financial support for their expenses from their employer. Please call me if this is a problem.

Brochures will be forwarded to you in October. I will contact you in November with more information.

Thank you again for agreeing to be a part of our 1994 conference and making NANDA a priority for your time.

Sincerely,

Lynda Juall Carpenito,
Program Committee Chairwoman
