Dear Ms. Gebbie,

On behalf of Linda McDonald, APIC President, myself as President-elect and the rest of the APIC officers and board, I would like to thank you for spending time with us on Friday, September 17th. As Infection Control Practitioners (ICPs) we have been involved in the HIV epidemic from the very beginning and will continue to be, some of us to a greater extent than others. As individual practitioners and as an organization, we look forward to working with you as you develop and implement relevant policies.

The second purpose of this letter is to confirm, per my discussion with your staff, your participation as one of our keynote speakers at our 21st annual educational seminar to be held May 22-26, 1994 at the Cincinnati Convention Center. Your presentation will be at 8:00AM on Tuesday, May 24th. A letter with more details will be forwarded to your shortly from our new National office in D.C. I know I speak for the anticipated 2000+ attendees in thanking you ahead of time for your participation.
