Steve
Dear Mr. Lee:

I have received your letter of March 10, 1994 to Fran Hicks, PhD, RN, president of the American Nurses Foundation (ANF), confirming Kristine Gebbie's participation as ANF's Century Club Luncheon speaker. We are delighted to feature Ms. Gebbie at this event. *6/13 12-2 San Antonio, TX.*

During our last telephone conversation, you asked about topics for Ms. Gebbie's presentation. Since the audience will be financial supporters of ANF and primarily nurses, I suggest that her comments fall within the general areas of AIDS and health care reform and their relationship to nursing.

In addition to Ms. Gebbie's speech, several recognition awards will be presented at the event. I have scheduled 15 to 20 minutes for Ms. Gebbie's remarks. As the program is finalized, I will forward a copy to you.

I greatly appreciate your assistance in obtaining this commitment. Please feel free to contact me (ext 134) if Ms. Gebbie or you have any questions.

Sincerely,

O. Kent Nordvig

Dear Ms. Gebbie:

In June 1994, the American Nurses Foundation (ANF) will again sponsor its Century Club Luncheon as a special event at the American Nurses Association convention. As you may be aware, luncheon invitations are extended to Foundation donors as a means of recognizing their ongoing support of our work. Nearly two hundred donors attended in 1992.

On behalf of the ANF Board of Trustees, I want to extend our invitation to be the featured luncheon speaker. The luncheon is scheduled for Monday, June 13, 1994, from 12 noon to 2:00 p.m., in San Antonio, Texas. Your 25-30 minute address will be the highlight of the event.

Foremost among the many goals of the Trustees is generating more support for the Foundation to ensure its long-term future. Building a strong, committed donor base will ensure that future researchers are supported in developing their careers and encouraged as nurse leaders.

Although you have spoken at this event previously, your current position as National AIDS Policy Coordinator as well as your experience as a nurse researcher and administrator make your exceptional career of great interest to other nurses. In addition, we are always proud to highlight the accomplishments of our ANF Distinguished Scholars. The Foundation will cover travel, per diem and hotel expenses for one-night.

Dear Kristine -

Greetings from Oregon!! I had hoped that there would have been an opportunity for two Oregonians to meet for coffee. You are a very busy lady.

Kristine, I do hope it is possible for you to present at the American Nurses Foundation. I know that Keat Harding has attempted to confirm your engagement.

You have consistently been in the "eye of the storm". Your contribution in Oregon will always hold special significance for me. I recall one being in Seattle, in the company of Helene Atiyah, when the Brady episode was unfolding. Your poise and unflappable manner were so appropriate for the situation.

I feel that we are fortunate to have you as the "Czar" Role. Best wishes. I look forward to your continuing participation in the activities of ANF.

Washington, DC 20503

Dear Mr. Lee:

I wanted to share with you that in order to publicize Kristine Gebbie's participation as ANF's Century Club Luncheon speaker we are utilizing the title "Nurses, AIDS and Health Care Reform" for her remarks. I believe this general title follows the topic areas suggested in my March 25 letter to you as well as providing Ms. Gebbie adequate latitude for developing her presentation. ✓

The event is scheduled for 12 noon, Monday, June 13 at the San Antonio Marriott Rivercenter in Salon I.

If Ms. Gebbie or you should have any questions, please contact me at extension 134. Thanks for all your help. I will be in contact with you again before the event.

Sincerely,

O. Kent Nordvig
