Dear Ms. Gebbie,

I would be delighted to have you attend the reception which the HIV Center is giving on behalf of the National Lesbian and Gay Health Foundation in New York. While the reception is informal, we certainly could arrange that you say a few words during the gathering which will consist of the leadership of the National Lesbian and Gay Health Foundation and investigators from the HIV Center and city officials.

Anyway, I am very much looking forward to seeing you again in New York.

Sincerely,

Anke A. Ehrhardt, Ph.D.

They are interested in Kristine speaking at this as well - just 5 or 10 minutes of remarks on HIV + gay/bisexual sexuality + self-esteem would be a good topic I think
