7 view shall consist exclusively of the material referred
8 to in subsection (b), subparagraph (A) of subsection
9 (c)(2), and paragraphs (1) and (2) of subsection (e).

10 (2) LIMITATIONS.—Only an objection to a rule
11 or procedure which was raised with reasonable speci-
12 ficity during the period for public comment (includ-
13 ing any public hearing) may be raised during judi-
14 cial review. If the person raising an objection can
15 demonstrate to the Secretary that it was impractica-
16 ble to raise such objection within such time or if the
17 grounds for such objection arose after the period for
18 public comment (but within the time specified for ju-
19 dicial review) and if such objection is of central rel-
20 evance to the outcome of the rule, the Secretary
21 shall convene a proceeding for reconsideration of the
22 rule and provide the same procedural rights as
23 would have been afforded had the information been
24 available at the time the rule was proposed. If the
25 Secretary refuses to convene such a proceeding, such

1 person may seek review of such refusal in the United
2 States court of appeals for the appropriate circuit.
3 Such reconsideration shall not postpone the effec-
4 tiveness of the rule. The effectiveness of the rule
5 may be stayed during such reconsideration, however,
6 by the Secretary or the court for a period not to ex-
7 ceed 3 months.

8 (g) JURISDICTION.—The sole forum for challenging
9 procedural determinations made by the Secretary under
10 this section shall be in the United States court of appeals
11 for the appropriate circuit at the time of the substantive
12 review of the rule. No interlocutory appeals shall be per-
13 mitted with respect to such procedural determinations. In
14 reviewing alleged procedural errors, the court may invali-
15 date the rule only if the errors were so serious and related
16 to matters of such central relevance to the rule that there
17 is a substantial likelihood that the rule would have been
18 significantly changed if such errors had not been made.

19 (h) REVERSAL OF SECRETARY'S ACTION.—In the
20 case of review of any action of the Secretary to which this
21 section applies, the court may reverse any such action
22 found to be—

23 (1) arbitrary, capricious, an abuse of discretion,
24 or otherwise not in accordance with law;

1 (2) contrary to constitutional right, power,
2 privilege, or immunity;

3 (3) in excess of statutory jurisdiction, authority,
4 or limitations, or short of statutory right; or

5 (4) without observance of procedure required by
6 law, if—

7 (A) such failure to observe such procedure
8 is arbitrary or capricious;

9 (B) the requirement of subsection (f)(2)
10 has been met; and

11 (C) the condition of the last sentence of
12 subsection (g) is met.

13 (i) DEADLINES.—Each statutory deadline for pro-
14 mulgation of rules to which this section applies which re-
15 quires promulgation less than 6 months after date of pro-
16 posal may be extended to not more than 6 months after
17 date of proposal by the Secretary upon a determination
18 that such extension is necessary to afford the public, and
19 the agency, adequate opportunity to carry out the pur-
20 poses of this section.

21 (j) EFFECTIVE DATE.—The requirements of this sec-
22 tion shall take effect with respect to any rule the proposal
23 of which occurs after 90 days after the date of enactment
24 of this Act.

1 (k) RULE OF CONSTRUCTION.—Nothing in this Act
2 shall be construed to authorize judicial review of regula-
3 tions or orders of the Secretary under this Act, except as
4 otherwise provided for in this title.

5 (l) NO STAY.—In any action respecting the promul-
6 gation of regulations under this title or the administration
7 or enforcement of this title no court shall grant any stay,
8 injunctive, or similar relief before final judgment by such
9 court in such action.

10 (m) PUBLIC PARTICIPATION.—It is the intent of
11 Congress that, consistent with the policy of the Adminis-
12 trative Procedures Act, the Secretary in promulgating any
13 regulation under this title, including a regulation subject
14 to a deadline, shall ensure a reasonable period for public
15 participation of at least 30 days, except as otherwise ex-
16 pressly provided for.

17 **SEC. 306. MISCELLANEOUS PROVISIONS.**

18 (a) JUDICIAL REVIEW.—A manufacturer of tobacco
19 products may seek judicial review of any action under this
20 title only after a penalty has been assessed and paid by
21 the manufacturer to the Department of the Treasury and
22 only in the United States District Court for the District
23 of Columbia. In an action by a manufacturer seeking judi-
24 cial review of an annual performance survey, the manufac-
25 turer may prevail—

1 (1) only if the manufacturer shows that the re-
2 sults of the performance survey were arbitrary and
3 capricious; and

4 (2) only to the extent that the manufacturer
5 shows that it would have been required to pay a sub-
6 stantially lesser penalty if the results of the perform-
7 ance survey were not arbitrary and capricious.

8 (b) PROHIBITION.—No stay or other injunctive relief
9 may be granted by the Secretary or any court that has
10 the effect of enjoining the imposition and collection of pen-
11 alties to be applied under this section.

12 (c) DEFINITIONS.—As used in this title:

2 vance made under this subsection shall be at a rate
3 determined by the Secretary of Treasury (as of the
4 close of the calendar month preceding the month in
5 which the advance is made) that is equal to the cur-
6 rent average market yield on outstanding marketable
7 obligations of the United States with remaining pe-

18 factory workers, or scholarships for tobacco produc-
19 ers.

20 (2) IMPLEMENTATION.—Amounts in the Trust
21 Fund shall be available for making expenditures de-
22 scribed in paragraph (1) only if a law is enacted not
23 later than January 1, 2000, that specifically pre-
24 scribes authorized uses of the Trust Fund.

1 (e) BUDGETARY TREATMENT.—This section con-
2 stitutes budget authority in advance of appropriations
3 Acts.

4 (f) TERMINATION OF EFFECTIVENESS.—The author-

1 “(B) the area is maintained at negative
2 pressure, as compared to adjacent nonsmoking
3 areas, as determined under regulations promul-
4 gated by the Secretary of Labor, in consultation
5 with the Administrator of the Environmental
6 Protection Agency; and

7 “(C) nonsmoking individuals are fully ad-
