Suite 400, West Wing

Washington, D.C.

Dear Lawrence:

I am delighted to congratulate you on receiving the 1994 David Brumbach Award for your dedicated service to our nation.

HIV infection and AIDS have, in one way or another, affected all of us. Their impact on individuals in terms of both physical and emotional suffering is enormous. But we can all be heartened by your efforts to raise the public's awareness of AIDS and to encourage compassion for those living with the disease. As we dedicate ourselves to finding a cure for this plague that threatens all of us, I'm pleased to commend you for your tireless efforts in this important endeavor.

Hillary and I send best wishes for continued success.

Sincerely, **BILL CLINTON** A
