\$48 milk

- The plan must be developed by a community partnership and must be submitted with formal written agreements signed by the school superintendent, the head of the local public mental health authority, and the chief law enforcement officer.
- Eligible activities include, but are not limited to, programs such as mentoring, conflict resolution, after school, family therapy, social skills building, school-based probation, student assistance, teen courts, truancy prevention, alternative education, developing information sharing systems, staff professional development, hiring additional school resource officers, and treatment efforts that involve the juvenile justice system and schools.
- Interventions selected must have evidence of effectiveness.
- Grantees must evaluate their strategy and agree to participate in a national evaluation.
