Comments:

It was great to speak with you today -- I'm very excited about your HSN project. Tried it out on Dick Moe, who shared my enthusiasm, but I haven't yet spoken with Counsel so the real test is yet to come.

Attached is what we've been able to gather on the measure tour. I think every stop is included, but we don't have \$ amounts for each & every one. However, we do for most & if there's an interest, we can get the costs easily. Also, it's possible to break out some of the larger sites into more manageable pieces (\$) if that would help. Keep me posted and thanks so much for the help.
Cheers,
Robbie
