DATE: January 16, 1998

I conveyed Hillary's regrets to Mike Cherry in connection with the Keshet dinner to be held in Chicago in the near future.

Mike has asked for a congratulatory letter to Keshet and has put together a draft. While I assume that she would not want to be identified as an Honorary Chairwoman, nevertheless is such a letter possible, as it would certainly be received warmly by the leadership and rank and file members of the organization who have been supportive of us and whom Mike Cherry is anxious to develop even closer relationships with in the future?

I look forward to hearing from you soon.

On a separate note, I found our conversation a few days ago quite meaningful. Comparing notes with others who sacrifice much in service of this Administration and our country certainly does put it all into perspective!

Dear Steve:

I appreciate your efforts in connection with Hillary. I have communicated to Bob Hartman that the possibility of Madeline Albright and Vice President Al Gore are probably not good possibilities for the banquet.

Bob asked me whether Hillary Clinton could write a letter congratulating Keshner, and he has forwarded a proposed letter to me, which I have enclosed.

Please note that the enclosed letter indicates "Honorary Chairwoman" (perhaps it should be "Chairperson"). If we can write the letter identifying her as a Chairperson, I would appreciate it. If not, then the letter with "Chairwoman" will be adequate.

I hope to hear from you soon.

Sincerely,

Mike Cherry

A Decade of Heroes

(LETTERHEAD OF THE WHITE HOUSE
OR HILLARY CLINTON)

March 15, 1998

Mr. Robert Hartman
Chairman, Keshet Board of Trustees
3210 Dundee Road
Northbrook, IL 60062

Dear Mr. Hartman,

It is my pleasure to congratulate Keshet on the occasion of your Tenth Annual Rainbow Banquet celebrating A DECADE OF HEROES.

It is through organizations such as Keshet that our nation and its children are enriched and encouraged to reach their potential. It is through the efforts of members of the Chicago community that Keshet's rainbow of hope reaches into the lives of very special children.

I am delighted to be an Honorary Chairwoman for tonight's event. May your work be a continuing inspiration and shining example throughout our nation.

Most Sincerely,

Hillary Rodham Clinton
