Dear Bobbie:

Many thanks to you for a marvelous lunch at The Mess and for the chance to catch up with you and your life. It's such a fine job for you and I am thrilled for you and for HRC that she has you too.

The signing was great. Lots of good words spoken and appropriate thanks to the Baltic-Americans who kept the flame of freedom alive for these past 50 years. I was duly touched.

If I can help you in any way, please let me know.

With every best wish,

Deborah A. Harding

Dean Hys -

Thanks so much for taking the time to meet with my colleagues and me, and to share your exciting plans. We all agree that you're going about this with ^{the} clarity and care that will make it likely to succeed. You're bringing the right people to the table and allowing them to take ownership. We'll be happy to help in appropriate ways so please keep us informed along the way.

The attached materials will give you a good sense of the violin program I described. I think they have a lot to offer and would be thrilled to participate.

Please keep in touch.

Any best,
Robbie
