Subject: Re: Check the Date (as soon as possible): 7/5-7/8

I know that we're exploring the Detroit EZ as an option for the July trip and everyone should be aware that GM is shut down the week of 7/4 and 7/11 for their summer holiday. GM Plants are closed. The other two auto companies are closed on 7/5.

My other comment would be that July 4th week is typically held by CEO's as a family vacation week. So I'm not sure what our luck will be on getting CEO's to travel and visit sites with POTUS. Just a bit of information as you discuss these dates.
