Selma, Alabama

Mayor Joe Smitherman

Senator Hank Sanders (D), his wife, attorney Rose Sanders and Commissioner Perry Varner filed a libel complaint against Mayor Joe Smitherman and Dallas County Board of Education member Cecil Williamson. The complaint was dismissed in March, 1999, but Senator Sanders plans to appeal the decision.

In January 1999, indictments were returned after a 13 month investigation of corruption charges against Police Chief Randy Lewellen and City Clerk Mary Ramsey. Both department heads were involved in a scheme of bogus invoices paid with city funds. Mayor Smitherman terminated both prior to being indicted.

August, 1998, a former state lawmaker and the son of Selma Mayor, were sued for \$6.2 million by a woman who claimed she lost her job after refusing to falsify documents associated with a housing project.

* Selma was on our list from HUD to consider.

Subject: KY cities

I spoke w/ Patton's office today and they have two suggestions for possible visit by POTUS.

In order of preference:

Pikeville: Largest city in Appalachia KY and county where Governor Patton was county executive for ten years before becoming Lt. Governor. They think Robert Kennedy went there during his campaign for president '68. By far, this is the Gov's preference. Also, Pikeville/Pike Co. border West Virginia. If they go there, perhaps we could ask Gov. Underwood to come over to KY for the event. He's the state's co-chair of the Appalachian Regional Commission and a huge supporter of the initiative. Would also make it bipartisan and we avoid any "steel problem" by not physically being in WV. (I did not receive the Underwood piece w/ Patton's folks; thought we should check it out here first.)

Hazard: Another city in southeastern KY, but it may be logistically difficult to get there.

Janelle if you could find some more information on these three Mayors it would be helpful. Thanks for your help.

1. **Jackson, Mississippi** - Mayor Harvey Johnson good supporter of Admin but he has had a number of issues regarding the bombing of the oldest black newspaper in Miss. Reports indicate that ex-convict says a city leader paid him to bomb the building. Issues for the Mayor is the division (on its face) between the black and white community. The downtown business owners who are predominantly white, formed a business-improvement district in 1993. Some blacks see the white business owners trying to take control of some city services and potentially shut black-owned businesses out of town. The Mayor who is the first African American Mayor find themselves pitted against some of the city's poor blacks.

2. **Alabama, Scottsboro** - Mayor Louis Price

3. **Alabama, Selma** - Mayor Joseph Smitherman
