Pam Gilbert

guidelines - have to do by regulation
[issue - community]

DOJ - ~~of~~ fairly receptive (but not's the civil
expert political pressure people)

get need + then bring ans + get new #

5/5

Ann - call Grace - COF

children's groups
consumer
directs - pub
FR
etc

143 - Joanne Stoney - also writes a letter ^{consumer} ^{side}
get list of consumer groups
talk to Barbara ~~Wolley~~

paper - transmittal letter
his stmt + her stmt
prep paper

5/5 Pam Gilbert

work closely w/ AA Pediatrics
- working them on recalls

alan korn ^{LM} - National Safe Kids Campaigns on numerous safety issues

- American Academy of Pediatrics

maybe Emergency room physicians

already have Hospital Emergency Room Reporting System

NEISS - N.E. Elect. Injury Surveillance System

contractors in 100 H ERs that electronically
submit into a ^{product} every injury

now expanding to every injury - workplace, etc.

(100 H that are statistically significant)

doctors can give facts that are much more meaningful

st (cont.) Pam

Stationary activity centers for kids -
pediatricians ^{have} ~~discussed~~ babies are breaking legs by pivoting too much

get other sources of info re: product problems
(that's part of \$5 million)

st public-private partnership

contracting - Pediatricians

ER. Physicians

Int. Assoc. of Abuse Investigators
? Family Physicians

Never asked them to formalize their reporting
System

proposal: when they come across death or injury
caused by consumer product
they email or call the office
of incident report
have their members report

have worked w/ M.D. groups about getting the word out about recall
but no formal relationship re: reporting

Ben
Gilbert

Mammias, ~~for~~ a Costco tandem stroller

→ Peds: when Mums a recall, try to get
mfr - to send notice to all pediatrician

so getting the academy to do it would be ^{helpful}

want commitment from Peds will post.

[but not sure they even post]

- so short of getting word out, agree to
post, mention in news letters.

ER physicians - nothing formal

told them at conference to report

Event - Visuals -

* could have Kth do a video to pass out
to reporter on ~~the~~ ^{defective} products

[if Costco stroller run is there could have ^{one} stroller a hand
but if mention other products

Healthcare - net health - has relationships ^{of providers}
/ get them to report
insurers, etc.

Consumers
Union

Sally Greenberg - sounds great

fax 265-9548

members - Shimkus - introduced car seats legislation

~~House - Shimkus~~

Senate - Repubs are bad - Snow or Orrin are OK
but don't do anything for CPSC

McCain - Mark Busey - Staff Director
bad on product liability

5/9

Alan Korn - 662-4463

fax 393-2072

- his group could help w/ partnerships

easy to get off retail

very hard to get them out of child care, other settings

House - Markey

Senate - Kerry, Hollings → Moses Boyd
(MA)

Greg Rothschild (friend of Alan Korn)
