Sweeps

Mon Trm

Oct. 94 -

Chicago PHTs doing sweeps - supported by residents

Fed'l Cts intervened - said hurt their rights

In these cases, ppl ^{in the} didn't ^{4th amend} know they'd sign it

PHTs listed options
have to fight crime

letter from Cisneros + Reno

Option → residents ^{can be} asked to sign a consent agt:

- if probable cause, can enter w/o
warrant

ques in Congress → is this over
if refuse, don't have hsg

→ but, PHTs already have this authority to
stipulate

I ask whether PHTs are still doing
sweeps or were scared away
by publicity
