Washington, DC 20500

Dear Mr. Cerda:

Judge Jeffery Tauber of Oakland suggested to a colleague that I forward you this report, *State Strategic Planning Under the Drug Formula Grant Program*. I hope that you find it of interest.

Since the report's publication, RAND has continued its research into programs funded under the 1988 Anti-Drug Abuse Act. Under a cooperative agreement with the National Institute of Justice, we are now conducting a broad based assessment of the Edward Byrne block grant program. The assessment includes both an examination of funded activities at the local level and a comparison of the Byrne program to other federal grant activities in the drug control area. We would be pleased to provide you with information on this effort, should you be interested.

Please do not hesitate to contact me if you have any questions or comments.

Sincerely,

A handwritten signature in cursive script that reads "Terence Dunworth". The signature is written in dark ink and includes a stylized flourish at the end.
