Climate Change

December 20, 1996

TO: SEE DISTRIBUTION LIST ATTACHED

FROM: Eileen B. Claussen *EBC*

SUBJECT: Agenda for Climate Meeting on January 7

*Room 7835
→ 2-4pm*

As we discussed yesterday, we will meet again on January 7 (scheduled for 2 hours; principal +1). I would like to focus on three issues during this meeting.

1. Discussion of Draft Text
2. Discussion of international trading regime
3. Borrowing

Attached is a draft text (with lots of questions and blank spaces). A trading paper as well as a short paper on where we are on the borrowing issue will also be circulated well before January 7.

I would like to use the meeting on the 7th to do the following:

1. Agree on what portions of the text (if any) we believe should be submitted by January 15th.
2. Agree that the trading paper can be used as a basis for international discussions on why trading is of value, and what its parameters should be.
3. Agree on whether borrowing is possible, and if so, how it should be structured.

Based on your comments, we can make revisions to the text and the papers, and submit them to the Deputies for decision. I would hope that we could then have a Deputies meeting no later than the 13th.
