July 4th

Dear Mr. President,

My Grandpa died about 4 years ago, He was in the service so he had a flag on his coffin. My mom brought the flag home and put it on a shelf in our closet, I think it would be perfect to use the flag as a table cloth to hold our hot dog buns, baked beans etc. for our party, in which 20 people are coming to. But the encyclopedia says

that the flag cannot be
used to hold anything

IT IS FORBIDDEN!

So then I say why
don't we mount it on our
porch some how to let
everybody see it, we have

no way to mount it
thats PROPER! I'm
mad because I have a
big peice of red white
and blue material not
being used. We're

letting go to waste
because it has no PROPER
way to be mounted.

I respect it as our
flag but why can't we
use it?
