The benefit of a true MC PDB is that it pools MC pennies, empowering the private sector negotiators we are contracting out with to leverage discounts offsetting savings

As this report clearly demo. Older Am in particular are disp. harmed by not having pds. The avail of an opt option will sig. alleviate this prob for most in need of these protections — Older Am most in need.

In addition, this analysis does not take into account savings from unnec. hospitalizations due to a) ill med & high quality pds under the prog that will ensure best med practices of pt counseling by pharm & drug utilizations by pharmacists.
