FAX MEMORANDUM

TO: Diana Fortuna
White House Office of Domestic Policy

FROM: Dick Batchelor

RE: Florida Hospital Medicare Waiver/HCFA

DATE: November 27, 1995

Again, thank you for personally following up on my request to identify a contact person at HCFA so that I might follow up on Florida Hospital's Medicare waiver request.

While I recognize that it is against White House policy to intervene, my request is simply for the appropriate contact person's name so that I might follow up on behalf of Florida Hospital.

As always, your personal attention and courtesies are very much appreciated.
