Special GOALS 2000 Edition

We received so many articles on GOALS 2000 over the past few months that we were unable to publish all of them in the **Daily Education News**. Since we thought you would like to see what newspapers, especially small town papers, are saying about GOALS 2000, we've put together a special GOALS 2000 edition of the clips.

This special edition includes GOALS 2000 news stories that were not published in the **Daily Education News**. The articles are in alphabetical order by state and were published during November 1994. We will continue to publish all subsequent articles in the **Daily Education News**.

If you would like to receive additional copies of this special edition, please contact Norm Greenberg at 401-1218.
