The program has been very successful at raising student achievement and keeping kids in school, and he teaches it to their ESL as well as their regular classes. Before he was heavily recruited to Miami Springs by its innovative and energetic principal, Tom was an elementary school teacher, and as such he was named Miami Dade's Teacher of the Year. Miami Springs is about 80% Hispanic and over 50% free and reduced price lunch. As with most teachers, the best way to contact the teacher is probably through the principal's office. I spoke to the principal this morning, and he is very helpful.	DPC
