

First Lady Hilary Clinton

Dear Lady,

Your good name has been slurred by one of your political opponents. I am deeply shamed because my own political views lean toward the conservative direction. However my viewpoint may differ from yours, I respect you as my First Lady, and your conduct as a gentlewoman and Stateswoman has always been beyond reproach.

I hope this unfortunate event has not caused you undue stress. Remember I am proud of you.

Respectfully,

Raymond Jans
