From Roosevelt book:

o anything about the importance of innovation in government;

o anything about FDR's or Eleanor's qualms about home relief as opposed to work relief;

o Xerox pages about town in West Virginia that Eleanor was afraid was becoming too dependent on federal assistance;

o anything about their working relationships with New York State and New York City officials -- Gov. Lehman, Mayor LaGuardia, Sen. Wagner; anything about what FDR learned and/or accomplished as Governor of NY.
