To Whom it may concern of the White House:

I am an eighth grader at Muirlands Middle School in La Jolla, California, and I am currently doing a project in my social studies class about John Adams specifically and about all the presidents in general. I have already mailed you requesting information on these topics, but as I was also required as a part of the project to fax the White House I would like to use this fax to ask for a personal favor. I am a cat lover and I am very interested in the presidency and their pets. Therefor I would deeply appreciate it if you could mail or fax a print of the paw of Socks, the White House cat. If it is possible to send this to me by Monday March 23 so I can include it in my report, I would be utterly grateful. However, if not I would still like to be sent the pawprint.

You can mail to me at

Dear Mr. Clinton

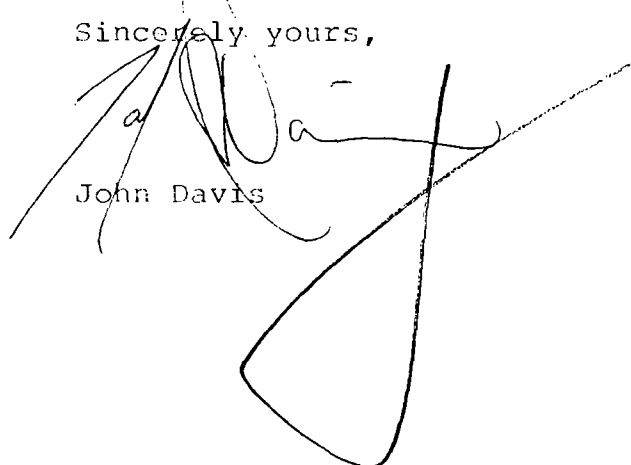

How are things at the White House? Here in Denver Colorado things are great! The Denver Broncos won just won the Super Bowl. I think your cat socks is the greatest cat in the whole besides my cat. Could you possibly send me a picture of socks?

The main reason I want a the picture is because I collect pictures of famous pets. Your pet is the so cool because he is so famous and acts like he doesn't even no. Are Buddy and Socks getting along now? If not get rid of Buddy.

I am a big Denver Broncos fan in the great city of Denver. Did you talk to any of the Broncos after the Super Bowl? If so what did you talk about?

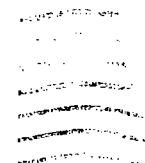

Thank you for your time.

Dear President Clinton,

One of my good friends
just recently had a baby girl

On Friday [REDACTED] P6(b)(6) I had

been watching "The Learning
Channel" and learned off the

program that if I mailed you
the baby's name and address, you

and Hillary would send her a
welcoming card (a gift no one

else has given her). I'd appreciate
it if you could make this possible

Thank you
Very much!
