My name is Robin Beard.
I am 10 years old. Do you
like living in the White House?
Do you get to go anywhere
you want to go in the
White House? If you do
I bet you're tired by the
end of the day. I was
wondering if you could
send me a picture of you.
Can you ask if I can
have a autograph of the
president? What do you
eat? From the 4th grade I
bet Socks is going to get
a stack of notes. But I
wrote this note because I
did not want you to
feel left out.

Dear Socks,

Hey. How's everything over at that White House? You're such a lucky cat. Every cat over here in my neighborhood envies you. How do you like life at the White House? Are there a lot of rooms to explore?

How's Buddy? I thought you might be a little jealous of all the attention he's getting, so I just wanted you to know that you're my favorite. - K- I love cats. I have 6. 2 live at my house, 1 at my gammy's, 1 up my dad's house, 1 at my aunt's house, and 1 up my other aunts.

I was just wondering, do you miss Chealse? I mean, with her being away at Stanford, and all. Things must be pretty dull around the house. I know things were when my brother went away to Marywood last spring.

Just incase you were just wondering, I'm writting this letter as an English project. I'm a 7th grade student at South Scranton Intermediate School.

Well, I just wanted you to know I think you're the bombdiggity!

President Clinton,

I am sending you this letter to let you know that our family likes the name you gave your chocolate labrador, BUDDY. Most people give their chocolate labs other names like Coco, Brownie, etc.

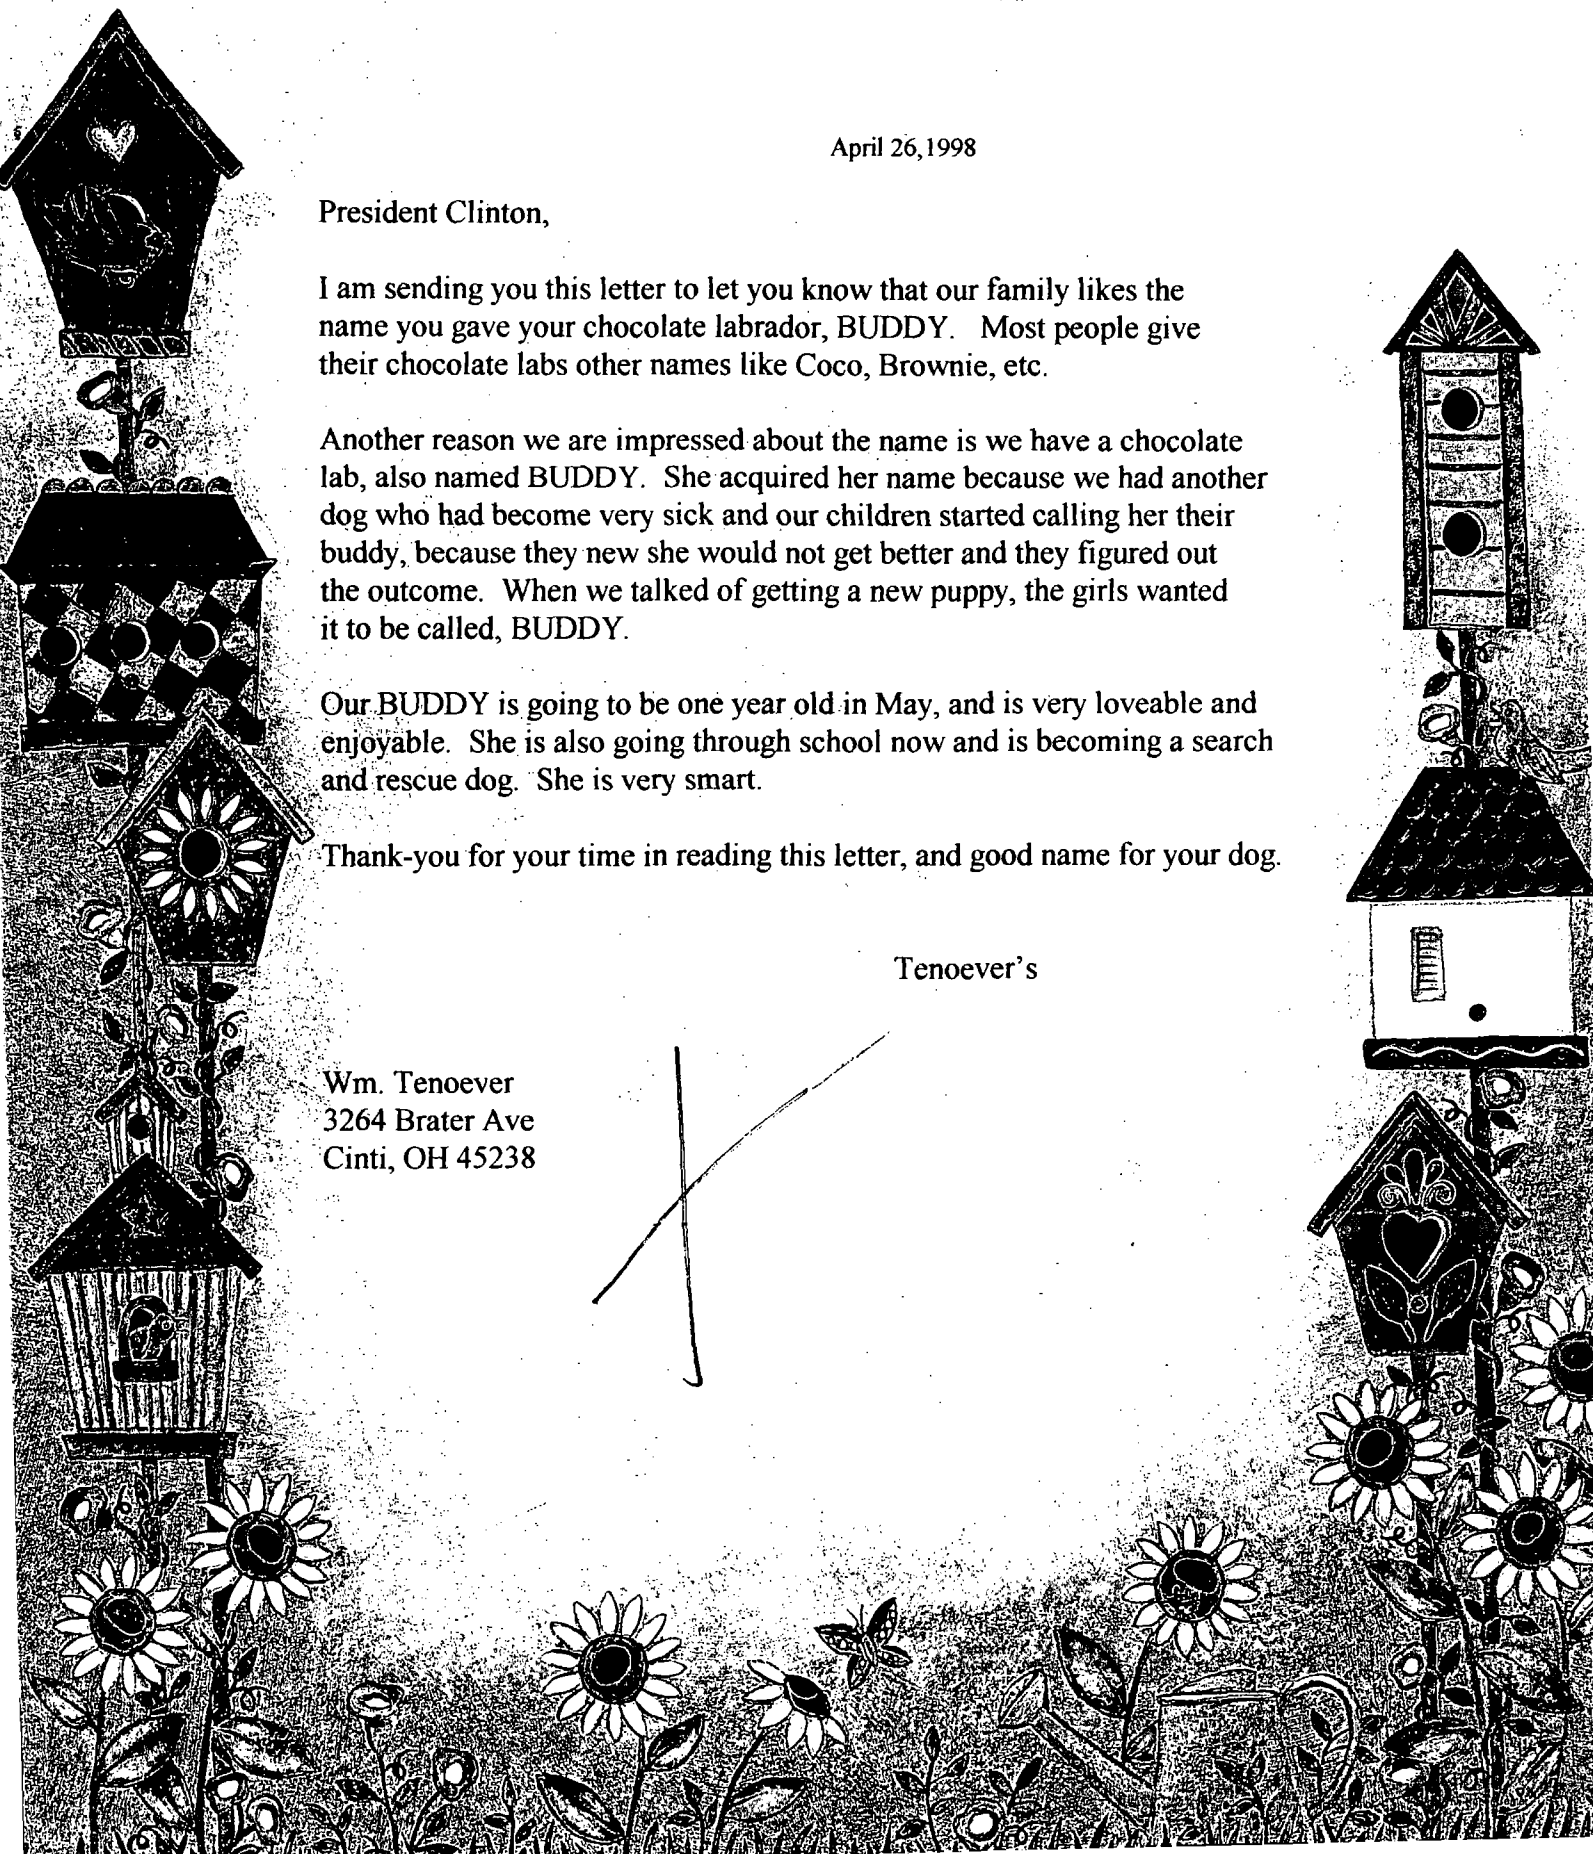

Another reason we are impressed about the name is we have a chocolate lab, also named BUDDY. She acquired her name because we had another dog who had become very sick and our children started calling her their buddy, because they new she would not get better and they figured out the outcome. When we talked of getting a new puppy, the girls wanted it to be called, BUDDY.

Our BUDDY is going to be one year old in May, and is very loveable and enjoyable. She is also going through school now and is becoming a search and rescue dog. She is very smart.

Thank-you for your time in reading this letter, and good name for your dog.

Dear Socks and Buddy,

We came to your house and looked everywhere for you. Where were you hiding? Your mom, dad and sister weren't there either.

We have lots of questions. Where
do you eat and sleep? Are you two
friends? Do you have a favorite
family member? Who takes care
of you when your parents go away?

Do you ever get to meet visitors?

Even though you weren't home we had a fun visit. We think you are

not allowed on that old furniture!

We hope to see you another time.

Love,
First Grade
