Dear Socks,

In the fall, Mommie Jean advised us that your Mommie ~~ft~~ to go away to California to school. We were so sad for you and would hate that happening to us! We know you have been lonely.

Tonight we heard Chelsea had come home for the holidays and we are so excited for you and know how excited you are to see her! Our Mommie Jean said Chelsea looked so beautiful on T.V. and so grown up!

My name is Hillary Frances. I'm the one with the black eye shadow and I'm named after your Grandmother Hillary. My sister is Callie Elizabeth and she is five years old. My Mommie saved me from the pound to keep Callie company during the day. I will be three soon.

Our Mommie Jean has a niece named Jean Carter (after our Mommie) who worked in the Personnel Dept. at the White House for two years. She sent us a picture of you on her shoulder. We look at your picture everyday and these two Calico girls think you are the Cat's Meow - Wow! (Do you have to wear that Tuxedo everyday at the White House?)

We hope you have a wonderful holiday season - as well as your entire Clinton Family - Please tell them we appreciate them at the head of our Country. Merry Christmas! Hillary and Callie McGee

that could be my special gift to her. You
are a beautiful "person". Merry Christmas

I've been watching the news, and am so sad the President brought in an "ug" dog. I bet your younger human would not have done this to you.

My humans even voted for your human. We all expected more of a Democrat. Was he democratic? Did you get a vote? I am moving no I be.

You're in my cat prayers - I'm sure you will prevail.

No matter how far you climb,
you can always dream a little higher.

I live in a "mixed" household
myself, with two ginger Toms and
one grey snooty female, but the
guy on the front looks a lot like me;
and so I thought I'd write and
ask for your photograph.

We all read the papers when we
get the chance and are proud of
your personal press coverage - very
tasteful and without a hint of gossip.
We look forward to your continued
success in the next four years.

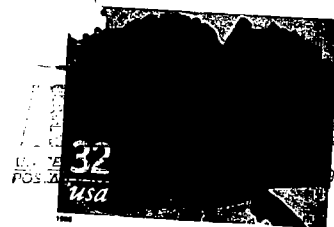

Keep up the good work
Monty.

P.S. Honey, GINGER & Pounce send best regards.
