Subject: National AIDS Strategy Update

We are dealing with the Strategy on two separate tracks -- one for the text and one for the appendices. We want to release the appendices in final and the text in draft, and, we want the documents to stand separately.

1. Appendices

A. Changes to Appendices

Page numbers: Number A-1 .. A-XX for Prevention, B-1 .. B-XX for Research, etc.

Editorial Marks

Budget Figures: Confirmed figures still pending from OMB.

B. Electronic copies of appendices G and H

Appendix G: Acronym List

Appendix H: Members of the Interdepartmental Task Force on HIV and AIDS

Appendix I: Summary Budget Tables

C. Cover

We would like to have a separate cover for the Appendices. Working ideas attached. Would like one sample slightly modified to show Director; she will be in Wednesday to make final decision.

D. Printing/Timeline

We're still on the same previously discussed timeline for the Appendices -- finish by 8/23 have copies ready for distribution on the 9/4.

E. Distribution List

Department of Health and Human Services, 50 copies each
National AIDS Clearinghouse, 200 copies each

2. Text

A. Text

We will produce copy for xeroxing.

B. Cover

We would like to have a DRAFT cover. See attached.

C. Figures

Would like to include figures with draft text.

3. Cost Estimates
