Ms. Patsy Fleming

Dear Patsy:

I just wanted to let you know how delighted I was that you have been named the National AIDS Program Coordinator. Given the changes that are about to occur in Congress, I think it will be essential that the programs have the benefit of someone with your knowledge of the legislative and executive branches. I know it will be a thankless task, but there will be many people who will be very grateful to you.

If there is ever anything that I can do to help out in any way, please do not hesitate to ask. I wish you the best of luck.

Sincerely,

Samuel C. Matheny, MD, MPH
