MEMORANDUM FOR INTERDEPARTMENTAL TASK FORCE ON HIV AND AIDS  
(IDTF)

FROM: Patsy Fleming

SUBJECT: National AIDS Strategy Update

I'm writing to update you on the status of the National AIDS Strategy. I first want to thank you for your diligent efforts that went into developing the first-ever National AIDS Strategy. Without your hard work this groundbreaking document would not have been possible.

The Appendices for the Strategy (which document current Federal activities) are in final form and a copy is attached. The accompanying text (which identifies areas for future progress) is undergoing final review by the Presidential Advisory Council on HIV/AIDS. After their comments have been incorporated the revised document will be circulated for IDTF review prior to its distribution to the community for comment in mid-December. After the community-comment period, you will receive the final draft for your review prior to release of the final document ~~early next year~~.

Again, I thank you for efforts in developing the first National AIDS Strategy. If you have questions, please do not hesitate to contact me or Jane Sanville at 202-632-1090.
