MEMORANDUM FOR THE PRESIDENTIAL ADVISORY COUNCIL ON HIV AND AIDS

FROM: Patsy Fleming

SUBJECT: National AIDS Strategy

I'm writing to thank you for your comments and feedback on the National AIDS Strategy (NAS). The Council's counsel and advice have been invaluable and your input has made the NAS a stronger and better document. Without your support this ground-breaking document would not have been possible. We look forward to working with Council through the implementation process.

Again, I thank you for efforts in developing the first National AIDS Strategy.
