July 30, 1998

Mr. Todd Summers
White Office
736 Jackson Place
Washington, D.C. 20503

Dear Mr. Summers: *Todd*

I am writing to invite you to attend a meeting sponsored by the Centers for Disease Control and Prevention (CDC) and the National Alliance of State and Territorial AIDS Directors (NASTAD). The meeting will bring together AIDS Directors from the 65 jurisdictions receiving HIV prevention funds in Atlanta on August 2-4, 1998. I am attaching the meeting agenda.

This is the first time in several years that CDC has met solely with the AIDS Directors. The discussions about HIV prevention program priorities and future directions should be interesting and informative. We hope that you are able to attend.

Sincerely,

Mary M. Willingham
Assistant to the Director for
Community Planning
Division of HIV/AIDS Prevention -
Intervention Research and Support
