MEMORANDUM FOR GARY WALTERS, EXECUTIVE RESIDENCE

From: Todd Summers 
Deputy Director
Office of National AIDS Policy
(202) 456-2437

Date: October 19, 1998

Re: World AIDS Day 1998

The Office of National AIDS Policy would like to request that the lights in the Executive Residence be dimmed in commemoration of World AIDS Day. Specifically, we request that the lights on the south side be dimmed from 7:45 to 8:00 pm on December 1, 1998 as a symbol of the President and Mrs. Clinton's sympathy for those who have been lost to AIDS.

It is my understanding that you have graciously approved this request in previous years, and we thank you for your consideration of this current request. Should you have any questions, I can be contacted directly at 6-2444. I would also appreciate your apprising me of your decision as soon as possible so that we may include it in any public releases related to the Administration's activities on World AIDS Day.
