Sandy Thurman
Director
Office of National AIDS Policy
The White House
808 17th Street, N.W. 8th Floor
Washington, DC 20006

Dear Sandy:

As we discussed in the car on our way to the Annie E. Casey Foundation conference on AIDS, I am delighted that you will be able to join us on Monday, February 9th, for the kickoff of AIDS Policy Center's new youth initiative, "Ending AIDS With the Younger Generation." The event will take place at the National Press Club in the Murrow Room and will start approximately at 9:30 am.

Joining you as speakers are Helene Gayle, M.D., the new Miss America, Kate Shindle, and Sean Sasser, one of our board members. We also expect Margaret Campbell, a participant in the White House meeting on youth that was held during the last World AIDS Day, to also participate.

We would like for you to report on the President's youth and HIV directive, issued on World AIDS Day, and to generally call attention to the alarming statistics of new HIV infections among gay youth and young women of color. Your presence and participation will help AIDS Policy Center draw attention to this issue, and I am very grateful to you for joining us.

We will be sending you more details about the event next week. In the meantime, thank you again for joining us.

Best wishes,

David C. Harvey
Executive Director
