ACTION

MEMORANDUM FOR SAMUEL R. BERGER

TROUGH: RICHARD A. CLARKE

FROM: ERIC A. PIERCE

SUBJECT: Reply to Congressional Letter on Bolivian
Effort to Combat Drugs

This package forwards a proposed response by the President to a letter
from
Majority Leader Lott and Senator Helms regarding Bolivia's efforts to
combat
drugs.

The NSC received the incoming correspondence on October 20. The
delay in
response occurred primarily because we needed additional
information from Embassy
La Paz to address the issue of food shortages in Bolivia.

Concurrence by: Arturo Valenzuela, Miles Lackey

RECOMMENDATION

That you sign the Memorandum to the President at Tab I.

ACTION

MEMORANDUM FOR THE PRESIDENT

FROM: SAMUEL R. BERGER

SUBJECT: Reply to Congressional Letter on Bolivian Effort to
Combat Drugs

Purpose

Respond to Majority Leader Lott and Senator Helms request for
certain assistance
to Bolivia.

Background

Majority Leader Lott and Senator Helms wrote you regarding
President Hugo
Banzer's efforts to combat drugs, in particular his administration's
impressive
80 percent reduction in illegal coca cultivation. They expressed
concern that
recent protests by farmers and the poor have undermined Bolivia's
faith in
democratically-elected leaders and the progress made to date in
combating drugs.

Their letter also requests that the U.S. Agency for International
Development and
the Department of State make available as quickly as possible the
funds that
Congress approved for alternative development and drug interdiction
in Bolivia.

The senators also ask that you consider authorizing logistical support to alleviate food shortages in certain communities stemming from road blocks set up by the protestors.

The proposed reply reaffirms our commitment to Bolivia's democratically-elected government, and assures the senators that the funds will be available soon.

Recommendation

That you sign the letter responding to Majority Leader Lott and Senator Helms at Tab A.

TRANSLATED_ATTACHMENT Letter to Lott Helms2.doc
Dear Senator Lott:

Thank you for your letter concerning Bolivian efforts to stem the flow of illegal drugs in our hemisphere. I am encouraged by the Government of Bolivia's commitment to the elimination of all illegal coca cultivation by 2002. Bolivia has made an excellent start with their 80% reduction of drug cultivation through alternative development and eradication.

Let me assure you that we are moving as quickly as possible to make available the funds the Congress appropriated to the Agency for International Development and the Department of State for anti-drug programs in Bolivia. Our Embassy in La Paz has transmitted to the State Department a plan for disbursement of the funds, and we are working with senior Bolivian officials to implement that

plan.

You requested that we consider providing logistical support to alleviate food shortages in certain communities that have resulted from road blocks by protesters. While the civil disturbances in September and October interfered with food supplies, particularly to the largest cities, the resulting shortages did not pose a serious immediate threat. In the Chapare, the primary illegal coca producing region, there were no significant food shortages. Moreover, the U.S. Embassy did provide logistical support for the rescue of those trapped by the road blocks in the region who feared for their personal safety.

I have repeatedly expressed the Administration's full support for Bolivia's democratically-elected government. We will continue to work with our Latin American partners to end the production of illegal drugs in Bolivia and throughout the hemisphere.

Sincerely,

William Jefferson Clinton
